The Malory Debate:

Re-viewing Le Morte Darthur Kevin Sean Whetter, Raluca L. Radulescu, 2005 New articles offer a variety of fresh perspectives on some of the most important areas of Malory criticism *Contested Language in Malory's Morte Darthur* R. Lexton, 2014-06-18 Examining Malory's political language this study offers a revisionary view of Arthur's kingship in the Morte Darthur and the role of the Round Table fellowship Considering a range of historical and political sources Lexton suggests that Malory used a specific lexicon to engage with contemporary problems of kingship and rule **The Malory Debate**

Bonnie Wheeler, Robert L. Kindrick, Michael Norman Salda, 2000 Seminal essays on one of the most crucial issues in Arthurian studies For the past fifty years debates about which text of Malory scholars and teachers should prefer have sparked much controversy which is the most authentic or authoritative Caxton the Winchester version or a mixture of both as proposed by Vinaver The papers in this volume represent the most important contributions to the dialogue previously published articles have been updated where relevant and new issues are presented in several original essays while the introductions place the argument in its theoretical and historical contexts Professor BONNIE WHEELER teaches at the Southern Methodist University Professor MICHAEL SALDA teaches at the University of Southern Mississippi Professor ROBERT KINDRICK teaches at the University of Montana Contributors MICHAEL N SALDA KEVIN GRIMM SHUNICHI NOGUCHI CHARLES MOORMAN P J C FIELD WILLIAM MATTHEWS ROBERT KINDRICK HELEN COOPER TOSHIYUKI TAKAMIYA YUJI NAKAO NORMAN BLAKE **The Book Unbound** Siân Echard, Stephen Partridge, Stephen Bradford Partridge, 2004-01-01 Contemporaries of Erasmus contains biographical information about more than 1900 people mentioned in the correspondence and other writings of Erasmus This paperback edition is a reprint of the three volume set published between 1985 and 1987 The volumes have been combined into a single volume without any editorial changes to provide a manageable and affordable edition of a magisterial work The remarkable breadth of Erasmus contacts throughout his life is reflected in this unique volume Differing substantially from the national biographical dictionaries that restrict themselves to major figures Contemporaries of Erasmus combines the famous with the obscure popes and politicians artists and poets knights and theologians covering every individual mentioned whose death occurred after the year 1450 Well known figures include Martin Luther King Henry VIII Machiavelli Popes Nicholas V and Peter IV and Emperor Charles V Dipping into the pages of this fully illustrated volume will intrigue and delight the casual reader but the combined volume will also be an indispensable tool for those who have searched in vain for a biographical dictionary of the Renaissance and the Reformation

The Manuscript and Meaning of Malory's Morte Darthur Kevin Sean Whetter, 2017 An examination of the rubricated letters in the Morte makes a convincing case for the design being by Malory himself The red ink names that decorate the Winchester manuscript of Malory's Morte Darthur are striking yet until now no one has asked why the rubrication exists This book explores the uniqueness and thematic significance of the physical layout of the Morte in its

manuscript context arguing that the layout suggests and the correlations between manuscript design and narrative theme confirm that the striking arrangement is likely to have been the product of authorial design rather than something unusual dreamed up by patron scribe reader or printer The introduction offers a thorough account of not only the textual tradition of the Morte but also the ways in which scholarship to date has not done enough with the manuscript contexts of Malory's *Arthurian* The book then goes on to establish the singularity and likely provenance of Winchester's rubrication of names In the second half of the study the author elucidates the narrative significance of this rubrication pattern outlining striking connections between manuscript layout and major narrative events characters and themes He suggests that the manuscript mise en page underscores Malory's interest in human character and knighthood creating a memorializing function similar to the many inscribed tombs that dominate the landscape of the Morte's narrative pages In short Winchester's design creates a memorializing tomb for Arthurian chivalry

K S WHETTER is Professor of English at Acadia University Canada *Caxton's Morte Darthur* Takako Kato, 2002 Revisiting the fundamental texts of Sir Thomas Malory's *Morte Darthur* the Winchester manuscript and William Caxton's printed edition and investigating what happened in Caxton's workshop are the best ways of discovering what Malory intended to write This study investigates the irregular use of paragraphs and the missing chapter divisions in Caxton's *Morte* and reveals frequent alterations to it in order to fit his text on the page It identifies the points at which alterations are most likely to have been made and suggests that Caxton may have consulted the Winchester manuscript while he was preparing his edition regularly with regard to textual divisions *Malory's Contemporary Audience* Thomas Crofts, 2006 This book seeks to place Malory's *Morte Darthur* more firmly in its cultural and historical context Its composition in the mid to late fifteenth century took place at a time of great upheaval for England a period beginning with the loss of Bordeaux and the Hundred Years War and ending with the rise of Richard III During this time the *Morte* was translated from numerous French sources copied by scribes and finally in July 1485 printed by William Caxton The author argues that in this unique production history are reflected the ideological crises which loomed so massively over England's ruling class in the fifteenth century and that the book is in fact inseparable from these crises
