The Illustrious Prince (Classic Reprint) E. Phillips Oppenheim, 2018-01-13 Excerpt from The Illustrious Prince There was a little murmur of regret amongst the five hundred and eighty seven saloon passengers on board the steamship Lusitania mingled perhaps With a few expressions of a more violent Character After several hours Of doubt the final verdict had at last been pronounced They had missed the tide and no attempt was to be made to land passengers that night Already the engines had ceased to throb the period of unnatural quietness had commenced Slowly and Without noticeable motion the great liner swung round a little in the river About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy. In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition. We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works.

The Illustrious Prince Edward Phillips Oppenheim, 2020-12-02 There was a little murmur of regret amongst the five hundred and eighty seven saloon passengers on board the steamship Lusitania mingled perhaps with a few expressions of a more violent character After several hours of doubt the final verdict had at last been pronounced They had missed the tide and no attempt was to be made to land passengers that night Already the engines had ceased to throb the period of unnatural quietness had commenced Slowly and without noticeable motion the great liner swung round a little in the river A small tug which had been hovering about for some time came screaming alongside There was a hiss from its wave splashed deck and a rocket with a blue light flashed up into the sky A man who had formed one of the long line of passengers leaning over the rail watching the tug since it had come into sight now turned away and walked briskly to the steps leading to

the bridge As it happened the captain himself was in the act of descending The passenger accosted him and held out what seemed to be a letter Captain Goodfellow he said I should be glad if you would glance at the contents of that note The captain who had just finished a long discussion with the pilot and was not in the best of humor looked a little surprised What now he asked If you please was the quiet answer The matter is urgent Who are you the captain asked

The Chronica Maiora of Thomas Walsingham, 1376-1422 Thomas Walsingham, 2005 Translated by David Preest with introduction and notes by James G Clark Thomas Walsingham's *Chronica maiora* is one of the most comprehensive and colourful chronicles to survive from medieval England. Walsingham was a monk at St Albans Abbey a royal monastery and the premier repository of public records and therefore well placed to observe the political machinations of this period at close hand. Moreover he knew the monarchs and many of the nobles personally and is able to offer insights into their actions unmatched by any other authority.

It is this narrative transmitted through the popular Tudor histories of Hall Stow and Holinshed which provides the principle source for Shakespeare's sequence of history plays. Covering almost fifty years the narrative provides the most authoritative account of one of the most turbulent periods in English history from the last years of Edward III 1376-77 to the premature death of Henry V 1422. Walsingham describes the many dramas of this period in vivid detail including the Peasants Revolt 1381 the deposition and murder of Richard II 1399-1400 The Welsh revolt of Owain Glyndŵr 1403 and Henry V's victory at Agincourt 1415 they are brought to life here in this new translation

The Illustrious Prince E Phillips

Oppenheim, 2020-04-09 There was a little murmur of regret amongst the five hundred and eighty seven saloon passengers on board the steamship Lusitania mingled perhaps with a few expressions of a more violent character. After several hours of doubt the final verdict had at last been pronounced They had missed the tide and no attempt was to be made to land passengers that night. Already the engines had ceased to throb the period of unnatural quietness had commenced. Slowly and without noticeable motion the great liner swung round a little in the river. A small tug which had been hovering about for some time came screaming alongside. There was a hiss from its wave splashed deck and a rocket with a blue light flashed up into the sky. A man who had formed one of the long line of passengers leaning over the rail watching the tug since it had come into sight now turned away and walked briskly to the steps leading to the bridge. As it happened the captain himself was in the act of descending. The passenger accosted him and held out what seemed to be a letter

several hours of doubt the final verdict had at last been pronounced They had missed the tide and no attempt was to be made to land passengers that night. Already the engines had ceased to throb the period of unnatural quietness had commenced. Slowly and without noticeable motion the great liner swung round a little in the river

The Impact of the Kabbalah in the Seventeenth Century Allison P. Coudert, 2023-08-14 If he had lived among the Greeks he would now be numbered among the

stars So wrote Gottfried Wilhelm Leibniz in his epitaph for Francis Mercury van Helmont Leibniz was not the only contemporary to admire and respect van Helmont but although famous in his own day he has been virtually ignored by modern historians Yet his views influenced Leibniz contributed to the development of modern science and fostered the kind of ecumenicalism that made the concept of toleration conceivable The progressive nature of van Helmont s thought was based on his deep commitment to the esoteric doctrines of the Lurianic Kabbalah With his friend Christian Knorr von Rosenroth van Helmont edited the Kabbala Denudata 1677 1684 the largest collection of Lurianic Kabbalistic texts available to Christians up to that time Because the subject matter of this work appears so difficult and arcane it has never been appreciated as a significant text for understanding the emergence of modern thought However one can find in it the basis for the faith in science the belief in progress and the pluralism characteristic of later western thought The Lurianic Kabbalah thus deserves a place it has never received in histories of western scientific and cultural developments Although van Helmont s efforts contributed to the development of religious toleration his experience as a prisoner of the Inquisition accused of Judaizing reveals the problematic relations between Christians and Jews during the early modern period New Inquisitional documents relating to van Helmont s imprisonment will be discussed to illustrate the difficulties faced by anyone advocating philo semitism and toleration at the time
