The Inheritance Mira:

Mira's Diary: Lost in Paris Marissa Moss, 2012-09-01 When Mira receives a cryptic postcard from her missing mother she sets off with her father and brother to find her in Paris Only Mira doesn't know she's looking in the wrong century With an innocent touch to a gargoyle sculpture on the roof of Notre Dame Mira is whisked into the past There she learns her mother isn't just avoiding the family she's in serious trouble Following her mother's clues Mira travels through time to help change history and bring her mother home Long after I finished this fast paced and compelling novel I thought about Mira Would I be as determined in pursuit of truth and tolerance Would you Karen Cushman Newberry Medal Winner **The Complete Hameji Cycle** Joe Vasicek, 101-01-01 This omnibus edition contains all four books in the Hameji Cycle BRINGING STELLA HOME When a ruthless Hameji battle fleet kidnaps his sister James McCoy a young merchant starfarer untested by war vows to bring her home But to save her he must give up everything he has and become something he never thought he could be DESERT STARS On a desert world at the heart of an interstellar empire a boy and a girl set out on a sacred pilgrimage to the ancient temple dedicated to the memory of Earth But the call of the stars soon threatens to bring their budding romance to an end And as the moment of decision draws near the choices they must make will drive them toward a future that neither can foresee STARS OF BLOOD AND GLORY As the undefeated Hameji Empire embarks to crush the last free stars Danica and her band of mercenaries must rescue a runaway princess before the son of Sholpan takes her as a trophy of war HEART OF THE NEBULA To save his people from the Hameji James must lead them on a desperate exodus across the stars But with each decision the line between protector and tyrant grows thinner And in a galaxy full of predators freedom is the first dream to die *Partners in Crime* Alisha Rai, 2022-10-18 Indian Matchmaking meets Date Night in this fun romantic adventure by Alisha Rai One of the very brightest romance writers working right now Entertainment Weekly Mira Patel's got a solid accounting career good friends and a whole lot of distance between her and her dysfunctional family All that's missing is a stable romantic relationship Armed with a spreadsheet and professional help she sets out to find her partner in only legal activities but much to her matchmaker's dismay no one is quite right Including Naveen Desai the very first match she unceremoniously rejected Lately Naveen's been too focused on keeping his sick grandfather's law firm afloat to think about love and he's stunned when Mira walks back into his life to settle her aunt's affairs He's determined to keep things professional though it's impossible not to be intrigued by all of the secrets piling up around Mira If getting back together with an ex is a bad idea getting kidnapped with one is even worse Suddenly Naveen and Mira find themselves in a mad dash through Las Vegas to escape jewel thieves evade crime bosses and follow the clues to untangle the mess her family left behind As her past comes back to haunt her Mira despairs of ever finding someone who might understand her but maybe over the course of one wild night she'll find that he's right by her side *Desert Stars* Joe Vasicek, 2014-12-12 Honor love and destiny clash in an interstellar empire that has forgotten its holiest legend the story of Earth He is sheikh's sole heir a

young man raised by desert tribesmen after falling from the stars She is the sheikh's most beautiful daughter promised his hand in marriage but only if she can convince him to stay Together they must travel to a land where glass covers the sky and men traverse the stars as easily as tribesmen cross the desert At the ancient temple dedicated to the memory of Earth they hope to find the answers that will lead them home But the call of the stars soon threatens to bring their budding romance to an end And as the moment of decision draws near the choices they must make will drive them toward a future that neither can foresee

Bhakta Mira Bankey Behari, 1961 *The Cinema Coven* Alexandra Heller-Nicholas, 2024-11-11 Witches and witchcraft are potent metaphors for feminine power with a history that predates the advent of cinema The figure of the witch represents a particularly fraught contested kind of gendered power and has long inspired filmmakers to explore themes of race class trauma motherhood grief and identity This book examines the relationship between women witchcraft and filmmaking exploring types of storytelling and the central themes in these movies Such films span the globe and have starred prominent figures like Madonna Bette Midler Bjork and Nicole Kidman as well as lesser known women behind the scenes Some of these filmmakers have premiered their works at major film festivals while others have produced content for television and video releases While notable in their diversity these movies share one crucial thing they were all created by women in an industry broadly dominated by men

Mira's Wish Chera Carmichael, Mira's wish is to survive the next tour of The Bubblegum Babes Her true wish is buried deep under old memories and deep wounds Her heart craves home the water and her Merrow roots if only she dared to return and maybe with her handsome hunk of a bodyguard along for the ride If only there wasn't someone threatening her bandmate on top of that stupid beach house How is she supposed to ignore the water when it's so close
