Inspector General's Office, 1917 **The Inspector-General** Nicolay Gogol, 2018-08-26 The Inspector General The Government Inspector A Comedy in Five Acts by Nicolay Gogol Translated by Thomas Seltzer from the Russian The Government Inspector also known as The Inspector General is a satirical play by the Russian and Ukrainian dramatist and novelist Nikolai Gogol Originally published in 1836 the play was revised for an 1842 edition Based upon an anecdote allegedly recounted to Gogol by Pushkin the play is a comedy of errors satirizing human greed stupidity and the extensive political corruption of Imperial Russia The Inspector General is a national institution To place a purely literary valuation upon it and call it the greatest of Russian comedies would not convey the significance of its position either in Russian literature or in Russian life itself There is no other single work in the modern literature of any language that carries with it the wealth of associations which the Inspector General does to the educated Russian The Germans have their Faust but Faust is a tragedy with a cosmic philosophic theme In England it takes nearly all that is implied in the comprehensive name of Shakespeare to give the same sense of bigness that a Russian gets from the mention of the Revizor **The Inspector- General** Nicolay Gogol, 2020-07-16 Reproduction of the original The Inspector General by Nicolay Gogol **The Inspector General** Nikolai Vasil'evich Gogol', *House documents*, 1895 The Inspector-general (or "Revizór") Nikolai Vasil'evich Gogol', Nikolai Vasil'evich Gogol', 1892 **The Inspector-General** Nikolai Gogol, 2015-07-19 The Inspector General is a satirical play by the Russian and Ukrainian dramatist and novelist Nikolai Gogol Originally published in 1836 the play was revised for an 1842 edition Based upon an anecdote allegedly recounted to Gogol by Pushkin the play is a comedy of errors satirizing human greed stupidity and the extensive political corruption of Imperial Russia The corrupt officials of a small Russian town headed by the Mayor react with terror to the news that an incognito inspector the revizor will soon be arriving in their town to investigate them The flurry of activity to cover up their considerable misdeeds is interrupted by the report that a suspicious

person has arrived two weeks previously from Saint Petersburg and is staying at the inn That person however is not an inspector it is Khlestakov a foppish civil servant with a wild imagination The dream like scenes of the play often mirroring each other whirl in the endless vertigo of self deception around the main character Khlestakov who personifies irresponsibility light mindedness absence of measure He is full of meaningless movement and meaningless fermentation incarnate on a foundation of placidly ambitious inferiority D S Mirsky The publication of the play led to a great outcry in the reactionary press It took the personal intervention of Tsar Nicholas I to have the play staged with Mikhail Shchepkin taking the role of the Mayor *The Inspector General* Nikolai Gogol, 2020-05-23 Although it may read to modern audiences like a hilarious slapstick comedy The Inspector General is actually much more than that Famed Russian writer Nikolai Gogol intended it to be a veiled but pointed satire of the ineptitude corruption and greed that exemplified the Russian bureaucracy in the nineteenth century The witty play was later used as the basis for a movie version starring Danny Kaye Anton Antonovich the Governor Artemy Filippovich the Superintendent of Charities Luka Lukich the Inspector of Schools Ammos Fiodorovich the Judge Stepan Ilyich Christian Ivanovich the Doctor and two Police Sergeants GOVERNOR I have called you together gentlemen to tell you an unpleasant piece of news An Inspector General is coming AMMOS FIOD What an Inspector General ARTEMY FIL What an Inspector General GOVERNOR Yes an Inspector from St Petersburg incognito And with secret instructions too AMMOS A pretty how do you do ARTEMY As if we hadn't enough trouble without an Inspector LUCA LUKICH Good Lord With secret instructions GOVERNOR I had a sort of presentiment of it Last night I kept dreaming of two rats regular monsters Upon my word I never saw the likes of them black and supernaturally big They came in sniffed and then went away Here's a letter I'll read to you from Andrey Ivanovich You know him Artemy Filippovich Listen to what he writes My dear friend godfather and benefactor He mumbles glancing rapidly down the page and to let you know Ah that's it I hasten to let you know among other things that an official has arrived here with instructions to inspect the whole government and your district especially Raises his finger significantly I have learned of his being here from highly trustworthy sources though he pretends to be a private person So as you have your little peccadilloes you know like everybody else you are a sensible man and you don't let the good things that come your way slip by Stopping him that's his junk I advise you to take precautions as he may arrive any hour if he hasn't already and is not staying somewhere incognito Yesterday The rest are family matters Sister Anna Krillovna is here visiting us with her husband Ivan Krillovich has grown very fat and is always playing the fiddle et cetera et cetera So there you have the situation we are confronted with gentlemen AMMOS An extraordinary situation most extraordinary Something behind it I am sure LUCA But why Anton Antonovich What for Why should we have an Inspector GOVERNOR It's fate I suppose Sighs Till now thank goodness they have been nosing about in other towns Now our turn has come AMMOS My opinion is Anton Antonovich that the cause is a deep one and rather political in character It means this that Russia yes that Russia intends to go to war and the Government has secretly

commissioned an official to find out if there is any treasonable activity anywhere GOVERNOR The wise man has hit on the very thing Treason in this little country town As if it were on the frontier Why you might gallop three years away from here and reach nowhere AMMOS No you don t catch on you don t The Government is shrewd It makes no difference that our town is so remote The Government is on the look out all the same GOVERNOR cutting him short On the look out or not on the look out anyhow gentlemen I have given you warning I have made some arrangements for myself and I advise you to do the same You especially Artemy Filippovich This official no doubt will want first of all to inspect your department So you had better see to it that everything is in order that the night caps are clean and the patients don t go about as they usually do looking as grimy as blacksmiths ARTEMY Oh that s a small matter We can get night caps easily enough The Year-book of Wireless Telegraphy & Telephony ,1923 Includes Literature **The Punjab Record ,1878** **Annual Report of the Lieutenant-General] Commanding the Army** United States. War Department,1884
