## **The Magic Of Beaded Animals:**

**The Magic of Beaded Animals** Duangporn Dunning,Susan Lee-Pullen,1998 Instructions for 20 different beaded animal projects    [Animal Tales Of The Native American Indians Vol. 2](#) G.W. Mullins,2018-02-08 The stories of Native American Indians have always possessed some greater meaning They are often based in nature or about animals And even though the tribes may vary in location or beliefs deep within you will find a common thread Respect for nature can be heard in stories from tribes from Canada to Florida The stories included in this book show Native American storytelling at its best Included in

the second volume of Animal Tales are the stories Two Fawns and a Rabbit The Origins of the Buffalo Dance The Legend of the Bear Family Iktomi and the Ducks The End of The First World Mistakes of Old Man Oktomi s Blanket Iktomi and the Muskrat They That Chase After the Bear Iktomi and the Coyote Beaver Medicine Iktomi and the Fawn Adventures of Coyote A Cougar Tale The Tree Bound Shooting of the Red Eagle How the Crow came to be Black The Creation of the World How Dogs Came to the Indians Dance in a Buffalo Skull The Toad and the Boy The Hungry Fox and the boastful Suitor any many more    [Ozain Mystery of the Congo and Yoruba](#) ,2013-08-13 Origin history The origin of Osahin also comes from the mythology of the Egyptians The word Osahi n come from the word Egyptian Sahu this is the name of a God of the stars identified as or with Orion In other papers before there was mention of him being referred to the God Orion and it has been shown he lived under the name of oro in the land of the Yoruba Therere other words Egyptian Sahu that signified a spiritual body which that so they say germinated form a mummified body The ideas that explain the conception of this Yoruba God

Osahin has been based with the association that he has with God Sahu and the spiritual body known with the same name This Orisha is the owner of the mountains and there in Cuba they associate him with the Regla of the Congos Also very particular with palo Monte or mayombe Supposedly one of the stories evidently cabana Osain was working his regla with Palo Monte drinking bad liquors using gun powder and he didnt have peace He was dressed dirty and with torn clothing he never saw the results of his work nothing Even though he worked very hard with a lot of integrity He saw that the Lucumi were always doing well they dressed very elegant and they had money and tranquility So Osain decided and went to see Shango asking Shango for advice Shango told him that he was a palero and he knew it perfectly but after knowing the regla lucumi he found himself in better conditions He dressed in red clothing he was clean and powerful With this argument he convinced Osain and took him to the feet of Orumila and that was his remedy Osain has no mother or father he was born by himself from direction of God It is the Orisha that is very important in the religion Yoruba He could be more important than all The use of Osain in the religion lucumi is very important and needed The Ozainistas could be male or female But the women cannot receive him until the have passed their menopause What happens is that they the women cannot give or make Osain for anybody    **The Art of Crocheting with Relief Crochet** ,2000    **Forthcoming Books** Rose Arny,2002-04
