**Jessica J Manson**

## **The Magnasphere:**

**Hi Fi/stereo Review** ,1998      **The Man from Hardin** Ernest Velon,2002-05-20 It is the end of old times and the start of new ones It is an exodus from previous stagnation to a life of infinite revelations It is the first chapter for a young man and the last moment in a child s imagination It is the first step in a long career for Alack Troyus a career that will take him to vistas only the stellar privileged are permitted to gaze upon Join us in his onward trek to become an agent of the special services Follow his antics his triumphs and tragedies along the road of life s experiences Guided by a master puppeteer who secretly places in Alack his own salvation both come to learn from another Both achieve that rare balance that draws an aspiring hero from the muck of society Against the vast panorama of the Amazian Imperium who s arms touch the four corners of the known universe Alack is molded and sharpened to uphold the Code of Dwitinton A great legal compendium that grants freedom to human and alien alike Alack Troyus joins the secret army of enforcers An army that fights evil in the darkness so the light can shine brightly forever      **High Fidelity & Audiocraft** ,1988 Contains Records in review

Apocalypse Dan Martin,2011-05 Will the world as we know it end in our time It s the intention of this book to teach you what you ll need to know IF it does Spiritual scientific predictions asteroid impacts pandemics economical governmental collapse solar flares electrical grid failure climate change epic floods WW3 Planet X peak oil super tsunamis alien invasions how the government s preparing this book has it all and teaches how you and your family can survive it all A complete self help guide not only for the end times but any global crises of which we seem to be having plenty of lately Written by a retired Boeing Aerospace Technician who lived six years 100% self sufficient and cut off from society Dan Martin presents eye opening views of humanity and his insights into possible future events are breath taking to say the least The book makes you wonder is the end closer than we think Are any of us really prepared      **The Magnasphere** James R. Medcraft,2001-02-01 By the year 2048 the Christian Coalition in Washington has evolved into a World Government A 1 000 year reign of Christ has begun It is a reign of terror Thinking minds and intellectuals are feared by the masses and hated by their God those who believe in the sciences and humanity All non Christians are being slaughtered A few remaining Scientists who remain in hiding are the last survivors of humanity One of these Dr Damian Van Wells gives his faith not to the God of Christians but instead to Structural Knowledge Structural knowledge is the foundation of all things It binds together all reality solid or in thought Knowledge this powerful neither feels emotion nor seeks justification or value toward even its very self It is perfection it is the power of creation In their underground laboratory these scientists have worked for several years on the Daystar Project Their goal with this knowledge is to create the Magnasphere through which Damian hopes to reach back into time and change the past while change is still possible Damian will not submit to the will of Christians or their God By changing the past Damian will rewrite history erasing all religions Mankind means to not only defy the living God of Christianity but to annihilate it Intellect will crush anything that now stands in its way Jehovah s Church warned that the

Antichrist would come and Armageddon too Damian is coming and The Magnasphere too Jehovah s Church possesses the power of destruction the Antichrist possesses the power of enlightenment Damian knows which should be feared the most What are we really That profoundly is the ultimate frontier for mankind to cross     *Annual Report* Magnavox Company,1938
