The Makropoulos Secret

Karel Čapek, Arthur Ben Hafey

The Makropoulos Secret:

The Makropoulos Secret Karel Čapek, 1925 **The Makropoulos Secret** Karel Čapek, 1925 The Makropoulos Secret Karel Čapek, Arthur Ben Hafey, 1991 The Makropoulos Secret Burrell, Randal C, Karel Čapek, 1988 **The Makropoulos Secret** Karel Čapek, 1927 **Toward the Radical Center** Karel Čapek, 1990

Čapek's best plays stories and columns take us from the social contributions of clumsy people to dramatic meditations on mortality and commitment. The Reader includes a new and at last complete English translation of R U R the play that introduced the literary robot.

The Makropoulos Secret, by Karel Capek ... Adapted by Randal C. Burrell, Introduction by H.T. Parker Karel Čapek, 1925 **Prague Palimpsest** Alfred Thomas, 2010-10-15

A city of immense literary mystique Prague has inspired writers across the centuries with its beauty cosmopolitanism and tragic history. Envisioning the ancient city in central Europe as a multilayered text or palimpsest that has been constantly revised and rewritten from the medieval and Renaissance chroniclers who legitimized the city's foundational origins to the modernists of the early twentieth century who established its reputation as the new capital of the avant garde. Alfred Thomas argues that Prague has become a paradoxical site of inscription and effacement of memory and forgetting a utopian link to the prewar and pre Holocaust European past and a dystopia of totalitarian amnesia. Considering a wide range of writers including the city's most famous son Franz Kafka Prague Palimpsest reassesses the work of poets and novelists such as Bohumil Hrabal Milan Kundera Gustav Meyrink Jan Neruda V t zslav Nezval and Rainer Maria Rilke and engages with other famous authors who wrote Prague including Guillaume Apollinaire Ingeborg Bachmann Albert Camus Paul Celan and W G Sebald. The result is a comparative interdisciplinary study that helps to explain why Prague more than any other major European city has haunted the cultural and political imagination of the West.

Archaeologies of the Future Fredric Jameson, 2007-04-17

In an age of globalization characterized by the dizzying technologies of the First World and the social disintegration of the Third is the concept of utopia still meaningful? *Archaeologies of the Future* Jameson's most substantial work since *Postmodernism Or the Cultural Logic of Late Capitalism* investigates the development of this form since Thomas More and interrogates the functions of utopian thinking in a post Communist age. The relationship between utopia and science fiction is explored through the representations of otherness alien life and alien worlds and a study of the works of Philip K Dick Ursula LeGuin William Gibson Brian Aldiss Kim Stanley Robinson and more. Jameson's essential essays including *The Desire Called Utopia* conclude with an examination of the opposing positions on utopia and an assessment of its political value today.

Shaw and Science Fiction Milton T. Wolf, 1997-01-01

Shaw's speculations about human destiny align him with many other writers of the time and later who forged a new genre of literature that ultimately took the name in 1928 of science fiction. Ray Bradbury affirms Greg Bear's statement about the little known but significant relationship that Bernard Shaw has with science fiction. Bradbury who frequently emphasizes Shaw's influence on his own work asks Isn't it obvious at last Those that do not live in the future will

be trapped and die in the past Susan Stone Blackburn comparing Shaw's Back to Methuselah with Olaf Stapledon's Last and First Men discusses why science fiction scholars have been reluctant to acknowledge Shaw's role in the genre Tom Shippey examines aspects of Shaw's theory of Creative Evolution to show why many have dismissed Shaw's science fiction as insufficiently scientific Surveying the science fiction milieu Ben P Indick shows that while Shaw was not interested in writing science fiction per se he knew the genre and how to use it Jeffrey M Wallmann chronicles the science fiction techniques that Shaw foreshadowed Rodelle Weintraub analyzes dream related elements of the fantastic that Shaw frequently employed in his drama John Barnes focuses on Shaw's radical superman a stock in trade of science fiction Like H G Wells Shaw understood that human intervention was becoming the dominant mechanism of evolution and that new approaches to theatrical drama would be required to convey the social and political impact of the scientific revolution Elwira M Grossman compares similar dilemmas facing Shaw and the Polish dramatist Witkacy J L Wisenthal examines the utopian tradition that underlay the English literary experience and Julie A Sparks contrasts Karel Capek's anti utopian concepts with Shaw's utopian vision Also included is an 1887 lecture by Shaw entitled Utopias published here for the first time Several of the contributors emphasize the significant influence that Shaw had on major science fiction writers Elizabeth Anne Hull explores Shaw's affinities with Arthur C Clarke John R Pfeiffer discusses the many connections between Shaw and Ray Bradbury and George Slusser explores Shaw and Robert A Heinlein's recurrent fascination with the possibilities of life extension Like his friend Einstein Shaw knew that imagination is more important than knowledge Peter Gahan's article demonstrates that Shaw's ambition was to engage the reader's imagination the only sufficient backdrop for his vision Also included are reviews of recent additions to Shawian scholarship including the Shaw Wells correspondence and John R Pfeiffer's Continuing Checklist of Shaviana

Only by Failure Paul Cornwell, 2004 Only By Failure is a biography of Terence Gray He was an Irish aristocrat who in the Twenties became an Egyptologist and historian writing books of short plays based on Ancient Egypt and the early history of Ireland He co founded the Cambridge Festival Theatre in 1926 and followed the inspiration of Gordon Craig Actors there included Maurice Evans Robert Donat Flora Robson and Jessica Tandy Ninette de Valois Gray's cousin began her career there In 1933 Gray's interest in the theatre ended and he moved to France to become Wei Wu Wei and he wrote eight books in his own style of Zen Buddhism

The Makropoulos Secret, by Karel Capek Sir Tyrone Guthrie, Phoenix Theatre (Organization : New York, N.Y.), 1957

The London Stage 1930-1939 J. P. Wearing, 2014-05-15 Theatre in London has celebrated a rich and influential history and in 1976 the first volume of J P Wearing's reference series provided researchers with an indispensable resource of these productions In the decades since the original calendars were produced several research aids have become available notably various reference works and the digitization of important newspapers and relevant periodicals The second edition of The London Stage 1930-1939 A Calendar of Productions Performers and Personnel provides a chronological calendar of London shows from January 1930 through December 1939 The volume

Drama Criticism Lawrence J. Trudeau, 1994 Criticism of the most significant and widely studied dramatic works from all the world's literatures

Listening to Reason Michael P. Steinberg, 2006-04-02 This pathbreaking work reveals the pivotal role of music musical works and musical culture in debates about society self and culture that forged European modernity through the long nineteenth century Michael Steinberg argues that from the late 1700s to the early 1900s music not only reflected but also embodied modern subjectivity as it increasingly engaged and criticized old regimes of power belief and representation His purview ranges from Mozart to Mahler and from the sacred to the secular including opera as well as symphonic and solo instrumental music Defining subjectivity as the experience rather than the position of the I Steinberg argues that music's embodiment of subjectivity involved its apparent capacity to listen to itself its past its desires Nineteenth century music in particular music from a north German Protestant sphere inspired introspection in a way that the music and art of previous periods notably the Catholic baroque with its emphasis on the visual did not The book analyzes musical subjectivity initially from Mozart through Mendelssohn then seeks it in its central chapter in those aspects of Wagner that contradict his own ideological imperialism before finally uncovering its survival in the post Wagnerian recovery from musical and other ideologies Engagingly written yet theoretically sophisticated Listening to Reason represents a startlingly original corrective to cultural history's long standing inhibition to engage with music while presenting a powerful alternative vision of the modern

New York Theatre Critics' Reviews, 1957 Theatre critics reviews brings you the complete reviews from these New York publications and stations whenever covered by the critic New York daily news Wall Street journal Time New York post Women's wear daily WABC TV CBS TV New York times Christian Science monitor

Newsweek **The Nation** ,1926 **The Crown Guide to the World's Great Plays, from Ancient Greece to Modern Times** Joseph Twadell Shipley,1984 From the classics of ancient Greece to the best of modern American theater this guide provides a plot synopsis stage history cast listing analysis and critical opinions for each of 750 outstanding plays *Vogue* ,1926 Science-fiction, the Early Years Everett Franklin Bleiler,1990 In this volume the author describes more than 3000 short stories novels and plays with science fiction elements from earliest times to 1930 He includes imaginary voyages utopias Victorian boys books dime novels pulp magazine stories British scientific romances and mainstream work with science fiction elements Many of these publications are extremely rare surviving in only a handful of copies and most of them have never been described before
