The Man Hunt:

The Man Hunt Club Brooke Comeau, 2018-08-07 The Man Hunt Club By Brooke Comeau Their Highlanders With a Meddling Grannie trying to play matchmaker a villain threatening to kill them and two bewitching debutants what are two Highlanders to do Battling real danger and passionate kisses they would soon find out what happily ever after was all about Their Rakes How difficult could it be to dress in disguise and enter a gentlemen's domain a gambling hell to be precise Becca and Jane were about to find out To catch their rakes they must be bold and daring With a menacing evil stalking them and pure determination to prove they more than met the match of their stubborn men only fate could decide and a little help from their man hunt club Their Surrender The remaining men couldn't understand why their friends were willingly giving up their bachelorhood Yes this group of women were exceptional and with danger closing in emotions were high but marriage With steamy kisses revealing dresses and naughty intentions how are rakes to resist Maybe surrender wasn't such a bad idea with suitors closing in and villains threatening their women they would have to quickly decide what they wanted before it was too late

The Assassination of Abraham Lincoln and the Manhunt for John Wilkes Booth Charles River Editors, 2025-05-04 In the 19th century the Scottish writer Thomas Carlyle famously wrote The history of the world is but the biography of great men popularizing the Great Man theory that the course of history is shaped by a select few heroic individuals While historians and others continue to debate the accuracy of the Great Man theory of history there is no question that the course of history is permanently altered by decisive moments in time where a different result would have produced drastically different outcomes Charles River Editors Decisive Moments in History examines the events that

changed history forever and set the world down the path it finds itself on today Until April 14 1865 John Wilkes Booth was one of the most famous actors of his time and President Abraham Lincoln had even watched him perform But his most significant performance at a theater did not take place on the stage That night Booth became one of history's most infamous assassins when he assassinated President Lincoln at Ford's Theatre in Washington D C Booth was a member of the prominent 19th century Booth theatrical family from Maryland and by the 1860s was a well known actor But he was also a Confederate sympathizer who dabbled in espionage and he was increasingly outraged at the Lincoln Administration Although Robert E Lee's Army of Northern Virginia had surrendered days earlier Booth believed the war was not yet over because Confederate General Joseph E Johnston's army was still fighting the Union Army so he and his group of conspirators plotted to kill Lincoln and other top officials in a bid to decapitate the federal government and help the South Perhaps not surprisingly the actor's flair for the dramatic came at a cost to the plot It took almost no time for the shocked public and the federal government to begin unraveling Booth's conspiracy which had mostly faltered from the beginning Following the shooting America's most famous manhunt commenced which itself became the stuff of legends After the shooting during which it is believed he broke his leg Booth fled south on horseback with authorities hot on his tail 12 days later while he was at a farm in rural northern Virginia Booth was tracked down and shot by Boston Corbett a Union soldier who acted against orders Eight others were tried for their alleged involvement in the plot and convicted and four were hanged shortly thereafter as a result of some of the nation's most famous trials

Decisive Moments in History The Assassination of Abraham Lincoln and the Manhunt for John Wilkes Booth covers the origins of Booth's plot the assassination and the eventual capture and killing of Booth while assessing the aftermath and analyzing the what ifs Along with pictures of the important people and places you will learn about the Lincoln assassination and the manhunt for Booth like you never have before in no time at all
