held liable for copyright infringement Despite the intricacies between copyright and access to digital content the recently implemented website blocking laws have emboldened copyright owners while suppressing end users access to digital content This is because the principles of proportionality and public interest have been given less attention when determining website blocking injunctions     *Economics Working Papers: a Bibliography* ,1985     *Telephony* ,1939     **Energy Abstracts for Policy Analysis** ,1984-07     **The Official Record of the United States Department of Agriculture** United States.
