

A close-up, high-angle shot of a car's center console. The console features a black leather-like material with a subtle texture. Orange accents are prominent: a thick, curved strip runs along the top edge, and another strip is attached to the center console, partially covering the gear shifter. The gear shifter itself is black with a silver top. To the left of the shifter, there are two circular vents. On the right side, there is a small circular button. The background shows the interior of the car, including a headrest and a window frame.
