

## Plurality In Harmony : Uniting Differences to Create a Harmonious Indonesia

— Rini S

Ladies and gentlemen,

I have a quick question before I start. Have you read the news, or perhaps just scrolled through your social media lately? And have you discovered that there are still discrimination-related problems in the world after reading the news today or maybe just browsing via social media?

*Assalamualaikum wr.wb.*

May peace and the kindness and blessings of Allah envelop you. Thanks to the honorable judges of the English speech contest, respected audience. Greetings for this morning. I'm standing here to deliver my speech; "Uniting Differences to Create a Harmonious Indonesia.

Ladies and gentlemen,

Diversity is a gift that God gives us as social beings. We live in a world full of colors. Various ethnicities, religions, cultures, and languages. Indonesia itself is one of the countries in the world with diverse backgrounds. But, unfortunately, ladies and gentlemen. Not everyone **understand** how valuable this diversity is. Diversity is more often seen as a cause of conflict, violation and even fights. That's why it cannot be denied that discrimination in Indonesia is still prevalent. **Does this happen** because we haven't learned to accept and appreciate our differences?

Let me give **you** an example of this issue. Our fellow Papuans have often been the target of discrimination. Even the racism that has led to violence, such as the case of Obby Kagoya, who was a victim of violence but **instead he was accused** of attacking and injuring a police officer. **And more than that**, there are more racism cases against Papua's college students in Surabaya or the teachers in Jember **who did racism** towards their Papuan students. Not only Papuan, but other ethnic groups like Chinese also become victims of racism nowadays, as often appears on social media.

Anyway, **talking about this issue**, as a teenager, I myself experienced discrimination and bullying. It's all because my body shape is fat, or **my skin isn't as bright as** my friends. I often **ask** my self, is it wrong to be different? I always heard a quote that says different is beautiful, and like Indonesian motto "Bhineka Tunggal Ika". **Then** I start **thinking**, how can diversity become a strength that unites us?
