Magic Shop Ishiqaa Mishra, 2022-07-30 When we say memories the instant thought which arises in our brain is the happy days of our lives Those happy days which we have spent with our favourite person But is it always about the person and not about the place And if it is so what if that cherished place of yours becomes the reason of your torment Shama is a 25 years old girl living her life at the country side She owns a little bookstore The magic shop which is her forever comfort place and also the source of her lively hood It has been eight long years since she has stepped into the town The town which once used to be her most cherished place has now left her with no reasons to return back One common day while she is on her way to close her book store she finds a diary into the crowd of several books The diary belongs to her good old days of the town Those days when she used to enjoy every single moment of her school days with her friends and love Turning those pages she is reminded of her past days and there where the story begins The Novella The Magic Shop is a fusion of the present and the past The whole of the story is a reflection of the past happenings which connects the present You have to be a little attentive while reading to make out which past incidence is relating to its present scene indicates the termination of the present tale

a seafaring fantasy trilogy that George R R Martin has described as even better than the Farseer Trilogy I didn't think that was possible As the ancient tradition of Bingtown's Old Traders slowly erodes under the cold new order of a corrupt ruler the Vestrits anxiously await the return of their liveship a rare magic ship carved from sentient wizardwood which bonds the ships mystically with those who sail them And Althea Vestrit waits even more avidly living only to reclaim the ship as her lost inheritance and captain her on the high seas But the Vivacia has been seized by the ruthless pirate captain Kennit who holds Althea's nephew and his father hostage Althea and her onetime sea mate Brashen resolve to liberate the liveship but their plan may prove more dangerous than leaving the Vivacia in Kennit's ambitious grasp Don't miss the magic of the Liveship Traders Trilogy SHIP OF MAGIC MAD SHIP SHIP OF DESTINY *Into the Magic Shop* James R.
