Tarragon, 2024-01-30 You struggle with insignificance Old One Golmosh sent keeping his eyes forward I do not Wenlyn muttered I'm a dragon rider Wenlyn is a prominent dragon rider born with the strongest transformational magic in two millennia There's just one problem no dragon has chosen him as a companion yet and he fears none ever will When a queen dies leaving a void in the magical boundary protecting the Six Realms the Dragon Council fears it may collapse Maylin a student destined for a life of public service is asked to become queen She must complete her coronation within seven days to keep the boundary from collapsing Attacked by bandits on the road Maylin races to make it to her coronation on time Determined to prove his worth to the Council Wenlyn investigates deaths related to a sinister black vapor He suspects Fear Mongers have infiltrated the Six Realms and are purposely trying to collapse the boundary If it falls how will Wenlyn protect his family And what darkness will he have to protect them against Those who most fear insignificance often prove most crucial as evidenced by the Sigil of the Dragon Children Enter a rich mystical world full of magic dragons evil sorcerers and centuries old prophecy If such things offend feel free to spread your wings and fly away Otherwise scroll up and experience the dragon magic of the Six Realms with Wenlyn I fell in love with every single one of these characters D B Tarragon has created a stunningly rich magical world and expertly weaves together several different storylines that will keep you turning pages This should definitely be your next high fantasy read M N Kinch Fantasy Author I have never read a more action packed thrilling adventure of so many dynamic and loving characters woven into one magnificent story than this one D B Tarragon has blended the perfect amount of mystery and intrigue in Dragon Magic that had me salivating for answers with every flip of the page Cannot recommend this series enough Morgan Dewey **White Men's Magic** Vincent L. Wimbush, 2014 Characterizing Olaudah Equiano's eighteenth century narrative of his life as a type of scriptural story that connects the Bible with identity formation Vincent L Wimbush's *White Men's Magic* probes not only how the Bible and its reading played a crucial role in the first colonial contacts between black and white persons in the North Atlantic but also the process and meaning of what he terms scripturalization By this term Wimbush means a social psychological political discursive structure or semiosphere that creates a reality and organizes a society in terms of relations and communications Because it is based on the particularities of Equiano's narrative Wimbush's theoretical work is not only grounded but inductive and shows that scripturalization is bigger than either the historical or the literary Equiano Scripturalization was not invented by Equiano he says but it is not quite the same after Equiano **The Torem Chronicles: The Shattering** Spencer Scogin, 2019-03-06 The world of Terrival exists just beyond the world we know It is separated and hidden by a dimensional barrier but when a young man from earth arrives in this strange land events are
