## **Sociology For Social Work:**

**Sociology for Social Work** Chris Yuill,Alastair Gibson,2010-10-21 This excellent textbook introduces the social work student to the field of sociology illustrating how sociology is connected to and fundamental to effective social work practice Each chapter applies theory to practice and is uniquely co written by a sociologist social worker and service user A wide range of topics and subjects relevant to social work are covered including Gender Class Ethnicity and race Ageing Health Intimacies Social exclusion Crime and deviance Communities Disability The book comes with access to an exciting companion website offering the reader downloads web links powerpoint slides and case studies Every chapter of the book further includes further case studies along with lots of clear definitions of terms and reflection points making this book the essential introductory text for all social work students     *Sociology and Social Work* Jo Cunningham,Steve

Cunningham,2014-03-24 Sociological perspectives and their application to social work are an inherent part of the QAA benchmark statements in the social work degree In addition graduates must understand how sociological perspectives can be used to dissect societal and structural influences on human behaviour at individual group and community levels This fully revised second edition includes a new chapter on social class and welfare and is mapped to the new Professional Capabilities Framework for Social Work     **Sociology for Social Workers** Anne Llewellyn,Lorraine Agu,David Mercer,2008-07-08 How can sociology contribute to positive social work practice This introductory textbook uses pedagogical features such as chapter summaries numerous examples a glossary activities and annotated further reading     **The Contribution of Sociology to Social Work** R. M. Maciver,2011-10-12 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork     *Sociology and Social Work* Brian J. Heraud,2014-05-17

Sociology and Social Work Perspectives and Problems focuses on the relationship between sociology and social work providing a sociological understanding of the problems social workers face This book begins with an introduction to sociology and social work followed by a discussion on the nature of a sociological perspective The sociological approach to family and kinship analysis of the community social stratification and social deviance are also elaborated This text emphasizes child rearing language and social class including childhood as a preparation for class membership and changes in the stratification system The social functions of social work in relation to social control and social change are likewise reviewed This compilation concludes with a review of the professionalization and organizational context of social work and problems arising from the nature of social work and sociology This publication is a good reference for students and researchers interested in the perspectives and problems related to sociology and social work     Sociology for Social Workers and Probation Officers Viviene E. Cree,2000 How does a social work student make the connection between sociological knowledge and day to day social work procedures This book offers an introduction to sociological ideas and research placing it in the context of social

work practice **Sociology in Social Work Practice** Peter R. Day,1987-08-07 All social work activity is influenced by the society in which it takes place It is therefore inescapable that understanding sociology should help social workers to make a more effective contribution to people s welfare The different perspectives which constitute sociology are examined and the book analyses the ways peoples lives are powerfully influenced by social forces and social problems It is argued that sociology should help social workers to examine their assumptions and value judgements and develop their capacity to be questioning and discriminating about their methods and the policies which affect them and their clients **Social Work**

Joyce Lishman,Janine Bolger,Neil Gibson,Gary Spolander,Chris Yuill,2023-05-19 This is a whole course introduction to Social Work Packed full of case studies activities and tools for real life practice this practical book will equip social work students with everything they need to know in their first year and beyond **The Sociology of Social Work** Martin Davies,2023-07-21

How do sociologists explain the role and function of social work in society How has sociological knowledge been used adapted and misused by social workers Originally published in 1991 The Sociology of Social Work includes chapters on sociological theory and social work child protection community care probation interviews family therapy residential care race and knowledge and power

**Sociological Social Work** Priscilla Dunk-West,Fiona Verity,2016-04-01 Sociological social work is a lifelong social work practice which is animated by a sociological perspective Social workers shorthand orientations such as strengths perspective task centred or humanistic to name but a few as a way to identify their philosophical and theoretical approaches in professional life Whilst some texts have examined sociology for social work this text instead proposes that sociological social work is a legitimate and theoretically rich orientation and this book demonstrates what sociological social work looks like in our rapidly changing world This text will equip students and practitioners with a way to think sociologically not just while they are studying but as an ever present reference for making sense of social work purpose and how this is realised in a transforming world This follows an established tradition in social work literature but this book elevates and names the importance of this approach which we argue is critically needed if social work is to achieve its agenda in transformative social political economic and environmental contexts The current landscape in which we live is one that is characterised by rapid changes which have implications for the life experiences of those with whom social workers work social justice advocacy agendas and for fulfilling the purpose of social work more generally This book is essential reading for those looking to keep up with these changes

**Social Work and Social Perspectives** Eileen Oak,2008-11-24 Social Work and Social Work Perspectives introduces readers to a range of important sociological concepts showing how these can feed critical practice and illustrate social work s complex relationship with the welfare state Adopting a unique social policy framework this distinctive text is illuminating reading **Sociology for Social Work** Lena Dominelli,1997-11-11 This major text addresses the relevance of sociological concepts to social work practice arguing that lack of understanding of the ways in which social work fits into society s structures and is informed by its relationship with these can lead to impoverished

social work practice Written from an anti racist feminist perspective it both argues for social workers to engage in empowering forms of practice and provides students practitioners and educators with a new paradigm to draw on **An Introduction to Sociology, for Social Workers and General Readers** J. J. B. 1860 Findlay,2015-12-04 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Sociology and Social Work* JO.

**CUNNINGHAM CUNNINGHAM (STEVE. O'SULLIVAN, ALICE.)**,Steve Cunningham,Alice O'Sullivan,2020-11-02 Sociological perspectives can be used to analyse societal and structural influences on human behaviour at individual group and community levels The authors link sociological concepts debates and theories relating to key areas such as poverty social exclusion education social class and social justice to develop your students understanding of how sociological perspectives will impact upon their social work placements and practice *Engaging with Social Work* Christine Morley,Phillip Ablett,Selma Macfarlane,2019-01-17 Equips students with a critical perspective and develops their understanding of social work practice

**Transforming society?** Graeme Simpson,Vicky Price,2007-04-11 Society is undergoing change and as a result social welfare services including social work are being transformed This book explores the sociological basis of contemporary society and shows how social workers experience tensions and contradictions in practice The book uses case studies and self directed activities to enable students to relate sociology to daily lives It explores key themes in turn examining their relevance for social work and how they can be applied to practice particularly in areas such as children and families mental health disability and older people Relevant and accessible the authors explore aspects of class ethnicity and gender and conclude with suggestions of how sociology can inform practice and enable social work to engage with processes of transformation The book provides essential material for students of social work and social care at both undergraduate and postgraduate levels It will also be relevant to social policy and sociology undergraduates [Jane Addams: Progressive Pioneer of Peace, Philosophy, Sociology, Social Work and Public Administration](#) Patricia Shields,2017-01-19 This book examines the life and works of Jane Addams who was awarded the Nobel Peace Prize 1931 Addams led an international women s peace movement and is noted for spearheading a first of its kind international conference of women at The Hague

during World War I She helped to found the Women's International League of Peace and Freedom She was also a prophetic peace theorist whose ideas were dismissed by her contemporaries Her critics conflated her activism and ideas with attempts to undermine the war effort Perhaps more important her credibility was challenged by sexist views characterizing her as a silly old woman Her omission as a pioneering feminist peace theorist is a contemporary problem This book recovers and reintegrates Addams and her concept of positive peace which has relevancy for UN peacekeeping operations and community policing Addams began her public life as a leader of the U.S. progressive era 1890-1920 social reform movement She combined theory and action through her settlement work in the often contentious immigrant communities of Chicago These experiences were the springboard for her innovative theories of democracy and peace which she advanced through extensive public speaking engagements 11 books and hundreds of articles While this book focuses on Addams as peace theorist and activist it also shows how her eclectic interests and feminine standpoint led to pioneering efforts in American pragmatism sociology public administration and social work Each field which traces its origin to this period is actively recovering Addams contributions **Social Work for Sociologists** Kate van Heugten, Anita Gibbs, 2015-08-12 Social Work for Sociologists introduces important frameworks concepts models and skills from social work that will help sociologists as they plan their human service careers and will prepare them to tackle social problems with practical solutions **Sociology for Social Work** Lena Dominelli, Jo Campling, 2000 **Sociology in Social Work** Peter Leonard, 1966
