The bride of Lammermoor Walter Scott, 1819 The Bride of Lammermoor Walter Scott, 1932 **BRIDE OF LAMMERMOOR** Sir Walter Scott, 1966

Bride of Lammermoor by Sir Walter Scott INTRODUCTION TO THE BRIDE OF LAMMERMOOR THE Author on a former occasion declined giving the real source from which he drew the tragic subject of this history because though occurring at a distant period it might possibly be displeasing to the feelings of the descendants of the parties But as he finds an account of the circumstances given in the Notes to Law's Memorials by his ingenious friend Charles Kirkpatrick Sharpe Esq and also indicated in his reprint of the Rev Mr Symson's poems appended to the Large Description of Galloway as the original of the Bride of Lammermoor the Author feels himself now at liberty to tell the tale as he had it from connexions of his own who lived very near the period and were closely related to the family of the bride It is well known that the family of Dalrymple which has produced within the space of two centuries as many men of talent civil and military and of literary political and professional eminence as any house in Scotland first rose into distinction in the person of James Dalrymple one of the most eminent lawyers that ever lived though the labours of his powerful mind were unhappily exercised on a subject so limited as Scottish jurisprudence on which he has composed an admirable work He married Margaret daughter to Ross of Balneil with whom he obtained a considerable estate She was an able politic and high minded woman so successful in what she undertook that the vulgar no way partial to her husband or her family imputed her success to necromancy According to the popular belief this Dame Margaret purchased the temporal prosperity of her family from the Master whom she served under a singular condition which is thus narrated by the historian of her grandson the great Earl of Stair She lived to a great age and at her death desired that she might not be put under ground but that her coffin should stand upright on one end of it promising that while she remained in that situation the Dalrymples should continue to flourish What was the old lady's motive for the request or whether she really made such a promise I shall not take upon me to determine but it's certain her coffin stands upright in the isle of the church of Kirklistown the burial place belonging to the family The talents of this accomplished race were sufficient to have accounted for the dignities which many members of the family attained without any supernatural assistance But their extraordinary prosperity was attended by some equally singular family misfortunes of which that which befell their eldest daughter was at once unaccountable and melancholy
