The Broken Road Richard Paul Evans, 2017-05-02 A broken man A twist of fate A second chance The 1 New York Times bestselling author of The Mistletoe Promise and The Walk begins a riveting new trilogy that explores the tantalizing question What if you could start over Chicago celebrity Charles James can't shake the nightmare that wakes him each night He sees himself walking down a long broken highway lined in flames Where is he going Why is he walking What is the wailing he hears around him By day he wonders why he's so haunted and unhappy when he has all he ever wanted fame fans and fortune and the lavish lifestyle it affords him Coming from a childhood of poverty and pain this is what he's dreamed of But now at the pinnacle of his career he's started to wonder if he's wanted the wrong things His wealth has come legally but questionably from the power of his personality seducing people out of their hard earned money When he learns that one of his customers has committed suicide because of financial ruin Charles is shaken The cracks in his facade start to break down spurring him to question everything his choices his relationships his future and the type of man he's become Then a twist of fate changes everything Charles is granted something very remarkable a second chance The question is what will he do with it The Broken Road is an engrossing contemplative story of redemption and grace and the power of second chances It
