**The Cabala** Thornton Niven Wilder, Bernhard Pick, The Hebrew word Cabala from Kibbel properly denotes reception then a doctrine received by oral tradition The term is thus in itself nearly equivalent to transmission like the Latin traditio in Hebrew masorah for which last indeed the Talmud makes it interchangeable in the statement given in Pirke Abot I 1 Moses received kibbel the Law on Mount Sinai and transmitted umsarah it to Joshua The difference however between the word Cabala and the cognate term masorah is that the former expressed the act of receiving while the latter denotes the act of giving over surrendering transmitting The name therefore tells us no more than that this theosophy has been received traditionally In the oldest Jewish literature Mishna Midrash Talmud the Cabala denotes the whole body of Jewish tradition The name is even applied to the prophetic writings of the Old Testament and the Hagiographa

**A Thornton Wilder Trio** Thornton Wilder,1956 Each of the novels is a special achievement different in its own fashion from any other novels written at the time or since The Woman of Andros is a Greek pastoral as beautifully handled as the figures on a Greek vase It contrasts with The Bridge of San Luis Rey which is a fable perhaps more Buddhist than Christian in its feeling as much as with The Cabala which is an album of boldly depicted characters All three novels different as they are from one another have something in common besides their economy of statement and their felicity of style Perhaps it is the quality that was praised by Henry James in his little book on Hawthorne There he said speaking of The Scarlet Letter It has about it that charm very hard to express which we find in an artist s work the first time he has touched his highest mark a sort of straightness and naturalness of execution and unconsciousness of his public and freshness of interest in his theme These books have that quality too and they ask to be reread From back cover
