## **The Cambridge History Of Greek And Roman Political Thought:**

The Cambridge History of Greek and Roman Political Thought Christopher Rowe, Malcolm Schofield, 2000-05-11 A definitive reference work on Greek and Roman political thought from the age of Homer to late antiquity first published in 2000

**A Companion to Greek and Roman Political Thought** Ryan K. Balot, 2012-12-26 A COMPANION TO GREEK AND ROMAN POLITICAL THOUGHT Justice virtue and citizenship were at the center of political life in ancient Greece and Rome and were frequently discussed by classical poets historians and philosophers This Companion illuminates Greek and Roman political thought in all its range diversity and depth Thirty four essays from leading scholars in history classics philosophy and political science provide stimulating discussions of classical political thought ranging from the Archaic Greek epics to the final days of the Roman Empire and beyond These essays strike a judicious yet thought provoking balance between theoretical and historical perspectives A Companion to Greek and Roman Political Thought is an authoritative guide to the ancient Greek and Roman political questions that continue to shape and challenge the modern world

Greek and Roman Political Ideas Melissa Lane, 2014-05-01 What is politics What are the origins of political philosophy What can we learn from the Greeks and Romans In Greek and Roman Political Ideas acclaimed classics scholar Melissa Lane introduces the reader to the foundations of Western political thought from the Greeks who invented democracy to the Romans who created a republic and then transformed it into an empire Tracing the origins of political philosophy from Socrates to Cicero to Plutarch Lane reminds us that the birth of politics was as much a story of individuals as ideas

A Short History of Western Political Thought W. M. Spellman, 2017-09-16 This brief narrative survey of political thought over the past two millennia explores key ideas that have shaped Western political traditions Beginning with the Ancient Greeks classical emphasis on politics as an independent sphere of activity the book goes on to consider the medieval and early modern Christian views of politics and its central role in providing spiritual leadership Concluding with a discussion of present day political thought W M Spellman explores the return to the ancient understanding of political life as a more autonomous sphere and one that doesn't relate to anything beyond the physical world Setting the work of major and lesser known political philosophers within its historical context the book offers a balanced and considered overview of the topic taking into account the religious values inherited ideas and social settings of the writers Assuming no prior knowledge and written in a highly accessible style A Short History of Western Political Thought is ideal for those seeking to develop an understanding of this fascinating and important subject

**History of Political Thought** Bruce Haddock, 2008-09-22 This book is a comprehensive introduction to the history of political thought tracing the development of arguments and controversies from ancient Greece through different forms of community state and empire to today's global concerns Bruce Haddock highlights the bewildering variety of contexts that have framed political thinking yet also displays structural features that have proved to be remarkably stable over time An important theme in the book is the need to see political philosophy even in its most abstract formulations as a response to historically contingent circumstances without limiting its relevance to those circumstances The emphasis throughout is on political thinking as a response to hard choices Major thinkers covered include Plato Aristotle Augustine Aquinas Machiavelli Grotius Locke Spinoza Montesquieu Hume Kant Rousseau Burke Hegel Marx Mill Lenin Schmitt Nietzsche Foucault

Oakeshott and Rawls The book treats political philosophy and theory as a tentative engagement with a fractured and controversial past Yet political thinking remains the exercise of a burden of a responsibility that is inescapable for us Haddock introduces a history that continues to shape our understanding of ourselves as political and historical creatures A History of Political Thought will be of interest to students and scholars of politics history and philosophy [History of Political Thought](#) ,2010 **Polis, the Journal for Ancient Greek Political Thought** ,2007 **A Treatise of Legal**
