*The Camelot Caper* Elizabeth Peters, 2009-10-13 The Lethal Stuff of Legends For Jessica Tregarth an unexpected invitation to visit her grandfather in England is a wonderful surprise an opportunity to open doors to a family past that have always been closed to her But sinister acts greet her arrival A stranger tries to steal her luggage and later accosts her in Salisbury Cathedral Mysterious villains pursue her through Cornwall their motive and intentions unknown Jessica s only clue is an antique heirloom she possesses an ancient ring that bears the Tregarth family crest And her only ally is handsome gothic novelist David Randall her self proclaimed protector who appears from seemingly out of nowhere to help her in her desperate attempt to solve a five hundred year old puzzle For something from out of the cloudy mists of Arthurian lore has come back to plague a frightened American abroad And a remarkable truth about a fabled king and a medieval treasure could ultimately make Jess Tregarth very rich or very dead

**Camelot Caper** Elizabeth Peters, 1992 Jessica Tregarth is surprised and delighted to receive an invitation to visit her grandfather in England The only link she has with her dead father s family is an antique ring he had brought with him to America This would be a chance to learn more about who she is

The Serpent on the Crown Elizabeth Peters, 2009-10-13 The New York Times bestselling Grande Dame of historical mystery Washington Post returns with another thrilling tale of mystery As the 1921-22 season begins the Emersons are enjoying a busy period of excavation in Egypt when they hear a lurid description of a man s mysterious death His widow is convinced he died of a curse and implores the Emersons to return the deadly little statue that killed him to the tomb from which it was stolen before it adds her to its list of victims Clearly it would be a serious error for the Emersons to start chasing tomb robbers just when they have finally received permission to return to the Valley of the Kings from which they were barred several years earlier But the family soon realizes that the curse may be more real than they ever imagined and they may be the next victims

Guardian of the Horizon Elizabeth Peters, 2009-10-13 Readers have long wondered what befell the Emerson clan during the years before the Great War Now at last the silence is broken and the truth revealed of a perilous journey to a secret and mysterious place hidden deep in the heart of the unforgiving desert An adventure prompted by loyalty to an endangered friend and spurred on by lies and treachery it leads Amelia Peabody and her intrepid family into a nest of vipers lying in wait at a remote mountain fortress And when a dark past and a shocking mystery are ultimately discovered a loved one may be lost forever
