**Bodyguards** Antony Loveless, 2009-08 The role of bodyguard or close protection officer is highly misunderstood In action films threats are obvious ski mask-wearing gunmen fire at the client from a speeding black Suburban truck In real life threats may be harder to assess If a crowd of unarmed protesters blocks the client's access to his or her car as well as the building they are being escorted to this poses a threat However bodyguards have no legal right to use force in a public place unless they are being attacked Usually bodyguards are the ones who call the police This interesting new book examines the

different types of bodyguard police military and civilian their training typical roles the equipment they use weapons  
bodyguards and the law evasive driving and life as a bodyguard
