## The Bunyans:

**Bunyan's Home** John Brown,1890    *The Love Child* Edith Olivier,2014-08-28 What was she Not a child for she was seventeen and taller than Kitty not a girl for she floated like a feather and flew into trees like a bird not a spirit she was human to touch But to night she was all made of mischief and magic remote form him and yet calling him to here At thirty two her mother dead Agatha Bodenham finds herself quite alone She summons back to life the only friend she ever knew Clarissa the dream companion of her childhood At first Clarissa comes by night and then by day gathering substance in the warmth of Agatha s obsessive love until it seems that others too can see her See but not touch for Agatha has made her love child for herself alone No man may approach her elfin creation of perfect beauty If he does the love which summoned her can spirit her away The Love Child 1927 was Edith Olivier s first novel acknowledged as a minor masterpiece a perfectly imagined fable and a moving and perceptive portrayal of unfulfilled maternal love

**The Academy** ,1886    Notes and

Queries ,1886    A Fortune-Teller Told Me Tiziano Terzani,2010-02-17 Warned by a Hong Kong fortune teller not to risk flying for a whole year Tiziano Terzani a vastly experienced Asia correspondent took what he called the first step into an unknown world It turned out to be one of the most extraordinary years I have ever spent I was marked for death and instead I was reborn Traveling by foot boat bus car and train he visited Burma Thailand Laos Cambodia Vietnam China Mongolia Japan Indonesia Singapore and Malaysia Geography expanded under his feet He consulted soothsayers sorcerers and shamans and received much advice some wise some otherwise about his future With time to think he learned to understand respect and fear for older ways of life and beliefs now threatened by the crasser forms of Western modernity He rediscovered a place he had been reporting on for decades And it reinvigorated him The result is an immensely engaging insightful and idiosyncratic journey filled with unexpected delights and strange encounters A bestseller and major prizewinner in Italy *A Fortune Teller Told Me* is a powerful warning against the new missionaries of materialism

**John Bunyan:**

**His Life Times and Work** John Brown B.A., D.D.,1888 *Life of John Bunyan* Edmund Venables,1888 All who have undertaken to take an estimate of Bunyan's literary genius call special attention to the richness of his imaginative power Few writers indeed have possessed this power in so high a degree In nothing perhaps is its vividness more displayed than in the reality of its impersonations The dramatis persons are not shadowy abstractions moving far above us in a mystical world or lay figures ticketed with certain names but solid men and women of our own flesh and blood living in our own everyday world and of like passions with ourselves Many of them we know familiarly there is hardly one we should be surprised to meet any day This lifelike power of characterization belongs in the highest degree to *The Pilgrim's Progress* It is hardly inferior in *The Holy War* though with some exceptions the people of *Mansoul* have failed to engrave themselves on the popular memory as the characters of the earlier allegory have done The secret of this graphic power which gives *The Pilgrim's Progress* its universal popularity is that Bunyan describes men and women of his own day such as he had known and seen them They are not fancy pictures but literal portraits Edmund Venables M A Author Amazon.com
