[The Burrowers Beneath](#) Brian Lumley,2013-05-20 THE EARTH S REAL LANDLORDS ARE SURFACING HERE NOW From the darkly fantastic worlds of H P Lovecraft s world famous Cthulhu Mythos comes a grimly compelling novel of the Ultimate War between men and monsters spawned in Hell For millennia men have strutted in puny pride over the fragile surface of the Earth arrogantly proclaiming themselves masters of creation But now their feeble investigations have disturbed the planet s original rulers far beneath the globe s crust And mankind s placid dreams are about to be wrenched into shattering nightmare They were here before man evolved They are older than our oldest legends predating the very dinosaurs They call to us in our dreams and make us do things They are THE BURROWERS BENEATH And they re surfacing right now Right here
