## **The Calendar Of Sports History:**

The Calendar of sports history Leonard Postero,1981     **A Global History of Doping in Sport** John Gleaves,Thomas Hunt,2016-03-22 From turn of the century horseracing to the monolithic anti doping attitudes now supported by sporting organizations the development of anti doping ideology has spread throughout modern sport Yet heretofore few historians have explored the many ways that international sport has responded to doping This book seeks to fill that gap by examining different aspects of sport s global efforts to respond to athletes doping By incorporating cultural political and feminist histories that examine international responses to doping this special issue aims to better articulate the narrative of doping The work starts with the first mention of doping in any sport It examines not only the first efforts to ban doping but also the athletes who sought performance enhancers Focusing on specific framing events authors in this issue examine how history of doping and how it has indelibly marked the sporting landscape The result is a work with both breadth and focus From stories of Japanese swimmers to Italian runners to American jockeys the work spans the range of doping history At the same time the authors remain focused around one single issue the history of doping in sport This bookw as published as a special issue of the International Journal of the History of Sport

## **Methodology in Sports History** Wray Vamplew,Dave

Day,2018-12-07 The process of converting the past into history involves engagement with a multitude of different sources and methods and sports historians inevitably participate in the same debates over approaches and methodologies as their counterparts in other historical disciplines At its heart history remains a genre of empirical knowledge that is based upon the remains of the past and without suitable evidence there can be no sports history A burgeoning range of sources has stimulated new ways of thinking and a significant expansion in the sports historian s evidentiary base as textual sources have been supplemented by photos films and cartoons uniforms architecture maps and landscapes and material culture more generally This book deals with some of these innovations It is divided into two sections the first offering chapter length studies of particular methodologies and the second brief responses from experts in their fields to the question what can sports historians learn from other disciplines
