**Catherine Curzon**

## **The Captive Princess Sophia Dorothea Of Celle:**

[The Captive Princess: Sophia Dorothea of Celle](#) Paul Morand,1972      **Queens of Georgian Britain** Catherine Curzon,2017-10-30 An account of four royal women that s as inherently fascinating as it is exceptionally informative an extraordinary read from beginning to end Midwest Book Review Once upon a time there were four kings called George who thanks to a quirk of fate ruled Great Britain for over a century Hailing from Germany these occasionally mad bad and infamous sovereigns presided over a land in turmoil Yet what of the remarkable women who were crowned alongside them From the forgotten princess locked in a tower to an illustrious regent a devoted consort and a notorious party girl the queens of Georgian Britain lived lives of scandal romance and turbulent drama Whether dipping into politics or carousing on the shores of Italy Caroline of Ansbach Charlotte of Mecklenburg Strelitz and Caroline of Brunswick refused to fade into the background Queens of Georgian Britain offers a chance to step back in time and meet the women who ruled alongside the Georgian monarchs not forgetting Sophia Dorothea of Celle the passionate princess who never made it as far as the throne From lonely childhoods to glittering palaces via family feuds smallpox strapping soldiers and plenty of scheming these are the queens who shaped an era A lively deep dive into the lives of four women regularly overshadowed by their husbands

Curzon is a captivating writer and this book is an impressive addition to her existing Georgian books The Lazy Historian Curzon has a breezy colloquial style an easy and informative read Historical Novels Review      **Life in the Georgian Court** Catherine Curzon,2016-08-31 This lively history of Europe s royal families through the 18th and early 19th centuries reveals the decadence and danger of court life As the glittering Hanoverian court gives birth to the British Georgian era a golden age of royalty dawns in Europe Houses rise and fall births marriages and scandals change the course of history Meanwhile in France Revolution stalks the land Life in the Georgian Court pulls back the curtain on the opulent court of the doomed Bourbons the absolutist powerhouse of Romanov Russia and the epoch defining royal family whose kings gave their name to the era the House of Hanover Beneath the powdered wigs and robes of state were real people living lives of romance tragedy intrigue and eccentricity Historian Catherine Curzon reveals the private lives of these very public figures vividly recounting the arranged marriages that turned to love or hate and the scandals that rocked polite society Here the former wife of a king spends three decades in lonely captivity King George IV makes scandalous eyes at the toast of the London stage and Marie Antoinette begins her final journey through Paris as her son sits alone in a forgotten prison cell Life in the Georgian Court is a privileged peek into the glamorous tragic and iconic courts of the Georgian world where even a king could take nothing for granted      **Royal Romances** Leslie Carroll,2012-11-06 More breathtaking than any fairy tale here are seven scandalous seductive centuries of all for love royal desire Elegant palaces dazzling power plays shimmering jewels and the grandest of all or nothing gambles nothing can top real life love among the royalty Louis XIV defied God and law permitting his married mistress Madame de Montespan to usurp the role of Queen of France then secretly wed her successor Madame de Maintenon

Grigory Potemkin was a worthy equal in Catherine the Great's bed as well as in Russia's political arena. Dashing Count Axel von Fersen risked everything to save Marie Antoinette's life more than once and may have returned her passion. The unshakable devotion of the beloved late Queen Mum helped King George VI triumph over his and England's darkest hours. And the unpretentious, timelessly glamorous even relatable union of Prince William and the former Kate Middleton continues to enthral the world. Full of marvelous tales, unforgettable scandals and bedazzled nobles who refused to rule their hearts, this delightfully insightful book is what the sweetest royal dreams are made of. *Kings of Georgian Britain* Catherine Curzon, 2017-03-30. This royal historian's lively study of the four Georges who sat on the English throne for over a century is a joy. Jane Austen's Regency World. For over one hundred years of turmoil, upheaval and scandal, Great Britain was a Georgian land. From the day the German speaking George I stepped off the boat from Hanover to the night that George IV bloated and diseased breathed his last at Windsor, the four kings had presided over a changing nation. *Kings of Georgian Britain* offers a fresh perspective on the lives of the four Georges and the events that shaped their characters and reigns. From love affairs to family feuds, political wrangling and beyond, it is a chance to peer behind the pomp and follow these iconic figures from cradle to grave. After all, being a king isn't always about grand parties and jaw dropping jewels and sometimes following in a father's footsteps can be the hardest job around. Take a step back in time and meet the wives, mistresses, friends and foes of these remarkable kings who shaped the nation and find out what really went on behind closed palace doors. Whether dodging assassins, marrying for money, digging up their ancestors or sparking domestic disputes that echoed down the generations, the kings of Georgian Britain were never short on drama. A chronological series of amusing anecdotes, Curzon is often whimsical, has a good sense of pace and you can imagine her stifling a smirk while writing this unusual biography. *History of Royals*
