## **The Carbohydrate Addicts Lifespan Program:**

**The Carbohydrate Addict's Lifespan Program** Richard Ferdinand Heller,Rachael F. Heller,1997 Drawing from their breakthrough research into the carbohydrate insulin connection which made The Carbohydrate Addict's Diet such a huge bestseller the Hellers offer the comprehensive straightforward STAR Program a plan that is Simple Targeted Adaptable and Rewarding By following this simple program you'll reap the outstanding rewards of reduced cravings and weight along with increased energy and health On the LifeSpan program virtually all foods are allowed in enjoyable and satisfying quantities As your cravings drop you'll choose from a variety of nutrition activity stress reduction and other lifestyle options that maximize continued weight loss and good health You'll find tempting meal plans and dozens of delicious recipes along with special hints for dining out eating alone entertaining vacations and family celebrations The Carbohydrate Addict's LifeSpan Program will help you personalize a plan for getting trim and staying vigorous through the best years of life all without struggle or sacrifice **BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved** [The Carbohydrate Addict's Lifespan Program](#) Richard Ferdinand Heller,Dr Richard F. Heller,Rachael F. Heller,2001 The authors revolutionized the diet industry with their breakthrough research into the carbohydrate insulin connection the discovery that excess amounts of insulin in the bloodstream cause people to store more fat and crave starches snack food and sweets Their personalized LifeSpan plan was designed to meet the needs of the struggling dieter [LOW Carb Dieting Secrets](#) Sonia Wings,1901 To help with weight issues and for overall improved health many people turn to diets In fact government statistics show that while about 65 percent of Americans are overweight 38 percent are actually doing something about it And according to a recent survey by the National Health Institute about a third of overweight Americans who are trying to lose weight are doing so by eating less carbohydrates carbs largely because of the increased popularity of fad diets like Atkins Diet and the South Beach Diet Although there have certainly been other low carb or low sugar diet plans before and more will most assuredly come out in the years ahead let's take a look at the basics behind many of the major plans And let's take a look at how they fit into the real world today Because while it might be great to lower the body's sugar content and be healthier wouldn't it be great to learn how to do so while being part of this fast paced world In the world of instant messaging quick Internet interaction and the already multi faceted day to day hectic schedules dietary food budgeting planning preparing and shopping are issues that can become major sources of stress and reasons for dieting failure Dual income families on the go and other super busy wage earners and dieters often already suffer from more than their share of everyday stressors like fears of being laid off their jobs being relocated or terminated juggling more than one job dependents both elderly and minors and trying to fund and juggle continuing education into their lives budgets and daily routines People want and need simpler solutions And they need simpler dieting plans Forget spending mega bucks on gourmet hard to find items Forget spending hours just to prepare meals And forget counting measuring and weighing ingredients Either a low

carb plan fit into real world lives or it doesn't. First we'll take a look at some basic terms and definitions to help understand the science behind lowcarb plans. Let's see how many of the major players' plans measure up. Note that the contents here are not presented from a medical practitioner and that any and all dietary planning should be made under the guidance of your own medical practitioners. This content only presents overviews of low carb research for educational purposes and does not replace medical advice from a professional physician.
