The Brahmins First Degree Of Initiation Ablutions Prayer Ceremonies And Evocation:

Occult Science in India and Among the Ancients Louis Jacolliot,2023-01-31 Though deeply sceptical with regard to spirits I often wondered whenever I saw an experiment of this kind whether or not some natural force had not been brought into play with which we were totally unacquainted I merely state the facts without further comment on the trick of the magic stick Spirit forces that make leaves dance in still air and buoyant wooden sticks sink in water and fakirs who levitate themselves and induce plants to grow overnight A European observer in mid 19th century India reports in the straightforward and unsensational fashion of a religious skeptic the seemingly wondrous feats of Indian mystics offering a unique first person perspective on extraordinary phenomenon that continues to be referenced today by modern spiritualists and those interested in the paranormal First published in English in 1884 this intriguing book also includes a translation of esoteric works of Indian magic that have been likened to the Jewish Kabbalah French writer and jurist Louis Jacolliot 1837 1890 served in French India as a government official Among his extensive works on Indian culture are Voyage au pays des fakirs charmeurs 1881 **The Brahmin's First Degree of Initiation** Louis Jacolliot,2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work Occult Science in India and Among the Ancients Louis Jacolliot,1864 Occult science in India and among the ancients, with an account of their mystic initiations, and the history of spiritism, tr. by W.L.
