The Brideshead Generation Evelyn Waugh And His Friends:

The Brideshead Generation Humphrey Carpenter, 2013-11-07 The Brideshead Generation has both style and substance and is above all an enjoyable companion It has a wildly amusing cast here controlled by a skilful director Evening Standard Jovial and entertaining full of the sort of stories that your friends will tell you if you don't read it before them Independent Carpenter has read widely and has collected an enormous fund of entertaining stories and facts Sunday Telegraph Hauntingly sad and wonderfully funny and by far the best thing Humphrey Carpenter has done Fiona MacCarthy The Times

Focus On: 100 Most Popular English People of Welsh Descent Wikipedia contributors, The Image of the English Gentleman in Twentieth-Century Literature Dr Christine Berberich, 2013-04-28 Studies of the English gentleman have tended to focus mainly on the nineteenth century encouraging the implicit assumption that this influential literary trope has less resonance for twentieth century literature and culture Christine Berberich challenges this notion by showing that the English gentleman has proven to be a remarkably adaptable and relevant ideal that continues to influence not only literature but other forms of representation including the media and advertising industries Focusing on Siegfried Sassoon Anthony Powell Evelyn Waugh and Kazuo Ishiguro whose presentations of the gentlemanly ideal are analysed in their specific cultural historical and sociological contexts Berberich pays particular attention to the role of nostalgia and its relationship to Englishness Though Englishness and by extension the English gentleman continue to be linked to depictions of England as the green and pleasant land of imagined bygone days Berberich counterbalances this perception by showing that the figure of the English gentleman is the medium through which these authors and many of their contemporaries critique the shifting mores of contemporary society Twentieth century depictions of the gentleman thus have much to tell us about rapidly changing conceptions of national class and gender identity W.H. Auden Peter Edgerly Firchow, 2002 This book is not a survey or a guide to all or even most of Auden's poetry though it does follow the general outlines of Auden's development as a poet and thinker BOOK JACKET Anthony Powell and the Oxford of the 1920s Anthony Powell, 2004 Lord Gnome's Literary Companion Francis Wheen, 1994 His review has got to be in by mid day tomorrow At about 9 pm his mind will grow relatively clear and until the small hours he will sit skipping expertly through one book after another and laying each down with the comment God what tripe Then suddenly he will snap into it All the stale old phrases a book that no one should miss something memorable on every page jump into their places like iron fillings obeying the magnet Thus did George Orwell writing forty years ago in Confessions of a Book Reviewer describe the labours of a typical literary hack Judging by the incestuous stew of debts and allegiances that dominates today's world of books precious little has changed over the intervening decades The servility of reviewers continues to counterpoint the vanity of authors and the greed of their publishers Yet within this society of mutual admiration lazy writing and genuflection to established hierarchy one repository of fearless literary criticism stands out the Literary Review section of the satirical magazine Private Eye Lord Gnome's

Literary Companion assembles in thematic order the best of these columns to present an astringent rude and funny survey of publishers and the published. It identifies new genres such as the non-book celebrity vehicle as well as giving due recognition to those who against all odds genuinely have something to say. It devotes review space to authors who whilst dominating the bestseller lists are all but ignored by the literary establishment and it does so without the breathless celebration of the popular observed by too many practitioners of cultural studies. It probes the unseen forces that police our literary culture: the literary agents, the cross-media magnates, the PR gigolos. In keeping with the *Private Eye* tradition, the contributors are anonymous, giving writers the freedom they cannot find in other publications. For Lord Gnome's reviewers, there are no sacred cows, no special favours, no treacherous euphemisms. It's messy, dangerous work, but someone has to do it.

Twentieth-century British Literary Biographers Steven Serafin, 1995. Designed to introduce the lives and works of those individuals who influenced the development of literary biography as a recognizable genre during the century. *The Atlantic*, 1990. Two Stories Susan Hudson Fox, 1999. Examines collaboration between Katherine Mansfield and John Middleton Murry and between Virginia and Leonard Woolf and the response of each writer to the other partner's literary strategies. *The Modern British Novel* Malcolm Bradbury, 2001. Bradbury argues that almost a century since the emergence of Modernism, it is now possible to see the entire period in perspective. It is clear that the first 50 years, from Henry James and Wilde to Stevenson, through James Joyce, Lawrence, Forster, to Huxley, Isherwood, and Orwell, have been extensively discussed in print. The years since World War II, though, have not been examined in depth, yet have produced talents such as Graham Greene, Angus Wilson, Beckett, Doris Lessing, Margaret Drabble, Angela Carter, Ian McEwan, Kingsley, and Martin Amis. Julian Barnes, Fay Weldon, Salman Rushdie, and Timothy Mo. *History in Our Hands* Patrick Deane, 1998. This collection of social, political, and cultural history writings from the 1930s, a decade still too often characterized as that of the Auden Generation, brings together important texts of the period and makes accessible some of the key writings of the decade, which are either scattered and difficult to locate or have long been out of print. The anthology offers students and the general reader the opportunity to explore the full range of ideas behind the fiction, poetry, art, and music of the 1930s. The Company They Keep Diana Glyer, 2007. The creators of Narnia and Middle Earth, C. S. Lewis and J. R. R. Tolkien, were friends and colleagues. They met with a community of fellow writers at Oxford in the 1930s and 1940s, the group known as the Inklings. This study challenges the standard interpretation that the Inklings had little influence on one another's work. *The Latin & Greek Poems of Samuel Johnson* Samuel Johnson, Barry Baldwin, 1995. As well as such famous works as *London* and *The Vanity of Human Wishes*, both owing much to Juvenal, Samuel Johnson wrote many poems in Latin and several in Greek. He also translated a large batch of epigrams from the Greek Anthology into Latin to while away the sleepless nights of the last winter before he died. His subjects vary from religious themes and the quality of Pembroke College beer to a motto for a goat that circumnavigated the globe to his own ill health. Some pieces are entertaining squibs; others disclose his complex
