fantasy but as actual metaphysical fact It seems to me that if we actually look into our heart of hearts eternal marriage is the greatest of all ideas and realitites that we can embrace I have always believed this and so this undertaking is being offered When a man and a woman come into a relationship in the spirit of eternal marriage they together are in the truth It is this truth that we shall know for it is here to be known Indeed we can now speak it and in our speaking we are set free for there is no greater solace for our souls The Eternal Marriage Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now keywords Eternal Marriage Co Creation Metaphysical Truth Sexual Connection *The broken heart* E.
