The Brumby:

The Brumby Creek Tales John D'Mille, The four items in this collection are provided free of charge in the pdf edition as an add on to my short novel Poor Angelina Country Stories from the early years of that century that was best remembered by those who handed us our history lessons The 19th to the 20th It was a good time our world was comparatively untouched by wars but for that sorry event The Boer War They were protected from the worst news by the mere monthly cycle of news print in many parts of our home lands There are no heroes and no grand events just every day happenings that have a humourous and entertaining twist The reader will identify with the characters Some are likable Some are forgettable but forgivable The psychoanalyst would agree that there is one of each kind of psyche The historian would say they were typical country folk but that just depends which one the reader feels closest to Enjoy **The Brumby Wars** Anthony

Sharwood,2021-09-01 It s not just a war over horses It s a battle for the soul of Australia This is a book about the intense culture war raging around Australia s wild horses known as brumbies It pits a vision of the legendary Man from Snowy River and the iconic ANZAC Light Horse against the spectre of ecosystems destroyed by feral pests The debate involves powerful politicians and media commentators and stars an animal mythologised in Australian poetry and prose But in essence this is about us The Brumby Wars is about Australians at war with each other over their vision of an ideal Australia To ecologists and people who ski walk and fish in the High Country and other areas where the brumbies proliferate they are a feral menace which must be removed to save delicate alpine landscapes To the descendants of cattle families and many Australians in urban and regional areas brumbies are untouchable a symbol of wildness and freedom Something has to give But what The land or the horses This war is set to escalate dramatically before we have an answer Featuring interviews with characters from all sides of the debate The Brumby Wars is the riveting account of a major national issue and the very human passions it inspires It is also a journey a quest to understand what makes us tick in our increasingly polarised country Praise for Anthony Sharwood s From Snow to Ash Makes for inspirational reading West Australian A distinctive charming narrative a thinking caring man s trek Canberra Times A joyous read with personality in spades A book for the adventurer in us all Australian Geographic

Paruku Jesse Blackadder,2014-01-01 From the award winning author of Stay The Last Dog In Antarctica comes a moving tale inspired by the true story of the Kimberley brumbies and their journey to Dubai From deep in the Kimberley Desert comes a legend of wild brumbies with Arabian bloodlines who can run like the wind Paruku the young bay stallion flees from humans who invade his desert sanctuary but is haunted by an ancient memory of being ridden Thirteen year old Rachel is fast outgrowing her first pony When her father an equine vet is offered the job of capturing wild brumbies for the endurance stables of Sheik Hamdan bin Rashid Al Maktoum of Dubai Rachel travels with him into the remote desert landscape of the Kimberley Captivated by the wild power and majesty of Paruku and his kin she is torn by the prospect of taking away their freedom But is there a chance she could keep Paruku for herself From the award winning
