The Great Brain Race Ben Wildavsky, 2010-04-05 In The Great Brain Race former U S News World Report education editor Ben Wildavsky presents the first popular account of how international competition for the brightest minds is transforming the world of higher education and why this revolution should be welcomed not feared Every year nearly three million international students study outside of their home countries a 40 percent increase since 1999 Newly created or expanded universities in China India and Saudi Arabia are competing with the likes of Harvard and Oxford for faculty students and research preeminence Satellite campuses of Western universities are springing up from Abu Dhabi and Singapore to South Africa Wildavsky shows that as international universities strive to become world class the new global education marketplace is providing more opportunities to more people than ever before Drawing on extensive reporting in China India the United States Europe and the Middle East Wildavsky chronicles the unprecedented international mobility of students and faculty the rapid spread of branch campuses the growth of for profit universities and the remarkable international expansion of college rankings Some university and government officials see the rise of worldwide academic competition as a threat going so far as to limit student mobility or

thwart cross border university expansion But Wildavsky argues that this scholarly marketplace is creating a new global meritocracy one in which the spread of knowledge benefits everyone both educationally and economically

The Best Minds Jonathan Rosen, 2024-04-16 PULITZER PRIZE FINALIST Named a Top 10 Best Book of the Year by The New York Times The Wall Street Journal The Atlantic Slate and People One of Barack Obama's Favorite Books of 2023 Brave and nuanced an act of tremendous compassion and a literary triumph The New York Times Immensely emotional and unforgettably haunting The Wall Street Journal Acclaimed author Jonathan Rosen's haunting investigation of the forces that led his closest childhood friend Michael Laudor from the heights of brilliant promise to the forensic psychiatric hospital where he has lived since killing the woman he loved A story about friendship love and the price of self delusion The Best Minds explores the ways in which we understand and fail to understand mental illness When the Rosens moved to New Rochelle in 1973 Jonathan Rosen and Michael Laudor became inseparable Both children of college professors the boys were best friends and keen competitors and when they both got into Yale University seemed set to join the American meritocratic elite Michael blazed through college in three years graduating summa cum laude and landing a top flight consulting job But all wasn't as it seemed One day Jonathan received the call Michael had suffered a serious psychotic break and was in the locked ward of a psychiatric hospital Diagnosed with paranoid schizophrenia Michael was still battling delusions when he traded his halfway house for Yale Law School Featured in The New York Times as a role model genius he sold a memoir with film rights to Ron Howard But then Michael in the grip of an unshakeable paranoid fantasy stabbed his girlfriend Carrie to death and became a front page story of an entirely different sort Tender funny and harrowing by turns The Best Minds is Jonathan Rosen's magnificent and heartbreaking account of good intentions and tragic outcomes whose significance will echo widely

The Building of a Great Mind Christian D. Larson, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

The Building Of A Great Mind: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Building Of A Great Mind : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Building Of A Great Mind : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
