Zarbock, 2011-06 Follow the life of the title character as he struggles to attach some understanding to the unforgiving world that seems determined to consume him At school he's confronted with indifferent administrators both over demanding and hardhearted teachers and a variety of bullies At home he's simply left alone forgotten to fend for himself His father is long gone and barely a memory His mother is more concerned with surviving her own life rather than being a mother to Nobody Therefore all Nobody can hope for in life is to survive one minute at a time which leaves little ambition for homework Even though life seems like a sick twisted joke with the laugh always at his expense Nobody searches inside himself to find the strength to endure and eventually overcomes his fate Nobody understands that it's up to himself alone to find his own path as he tries to decide whether or not to drop out of high school **David Lewis** Daniel Nolan, 2015-01-30 David Lewis's work is of fundamental importance in many areas of philosophical inquiry and there are few areas of Anglo American philosophy where his impact has not been felt Lewis's philosophy also has

a rare unity his views form a comprehensive philosophical system answering a broad range of questions in metaphysics philosophy of mind philosophy of language philosophy of action and many other areas This breadth of Lewis s work however has meant that it is difficult to know where to start in Lewis s work and a casual reader may often miss some of the illuminating connections between apparently quite disparate pieces of Lewis s work This book aims to make this body of work more accessible to a general philosophical readership while also providing a unified overview of the many contributions Lewis has made to contemporary Anglo American philosophy The book can be divided into four parts The first part examines Lewis s metaphysical picture one of the areas where he has had the greatest impact and also the framework for the rest of his theories The second section discusses Lewis s important contributions in the philosophy of mind language and meaning The third part explores some of Lewis s work in decision theory metaethics and applied ethics areas where his work is not necessarily as widely appreciated but in which he has done a range of work that is both accessible and important The final section focuses on Lewis s distinctive philosophical method perhaps one of his most significant legacies which combines naturalism with common sense theorizing

Dreams Don't Die Izek Shomof,2023-11-07 Immigrant Dropout Entrepreneur Restauranter Real estate developer Movie producer Philanthropist These are only a few titles Izek Shomof the so called King of Spring Street has carried throughout his fascinating life Each of these monikers tells a part of Izek s unbelievable tale but the whole story has never been told until now Dreams Don t Die is not your typical run of the mill immigrant story It is the memoir of a man who had every opportunity to take unethical and often illegal shortcuts but who instead chose the lesser trod path of honesty and integrity It s the story of a young man who poured his blood sweat and tears into the city he loved transforming not only buildings but lives in the process starting with his own From serving drinks in backroom Israeli casinos to buying an entire city block of downtown Los Angeles Izek s life has been anything but traditional Between flipping burger joints building tract homes and renovating historic California high rises Izek has come face to face with some particularly problematic elements of his family tree including organized crime Mob enforcers hit men drug cartels bank robbers and history making embezzlement schemes The sordid adventures of Izek s family have even become the subject of not one but two film productions a major Hollywood motion picture starring James Caan and a blockbuster Israeli documentary series Izek s life proves that even in the face of dream killing obstacles with hard work steadfastness and tenacity dreams don t have to die
