Josiah Hotchkiss Gilbert

The Burning Flame Of Eternal Hope:

The Burning Flame of Eternal Hope Joseph Alster, 2004 He was born and raised in a land that championed the worst evil ever seen on this planet He was fortunate to flee to a land of the free and to serve proudly in its army and then to the land of his ancestors the land that G d had promised to His people as an eternal inheritance His duty would be to fight for the rest of his life for its continued existence as a sovereign state Joe Alster s personal memoirs record idyllic beginnings in Cologne Germany to his escape to Holland following Kristallnacht life in America including service in the U S Army to daring escapades with Rabbi Meir Kahane and the Jewish Defense league the search for Mengele and his move to Israel where he continues his activism against injustice Since the quiet and unobserved life has never been enough for Alster he unfolds his exciting story in a highly emotional and at times deeply philosophical stream of consciousness *Christian Examiner and Theological Review* ,1830

The Christian Examiner and General Review Francis Jenks, James Walker, Francis William Pitt Greenwood, William Ware, 1830

The Christian Examiner ,1830 **The Repose of the Spirits** Ahmad Sam'ani, 2019-10-01 Major new translation of a unique and important Persian treatise on divine names in the Islamic tradition The Repose of the Spirits is a translation of one of the earliest and most comprehensive treatises on Sufism in the Persian language Written by Ahmad Sam'ani an expert in Islamic law from a famous Central Asian scholarly family in about the year 1135 it is one of the handful of early Sufi texts available in English and is by far the most accessible It also may well be the longest and the most accurately translated Ostensibly a commentary on the divine names it avoids the abstract discourse of theological nitpicking and explains the human significance of the names with a delightful mix of Quranic verses and sayings of the Prophet and various past teachers interspersed with original interpretations of the received wisdom Unlike the usual books on the divine names such as that of al Ghazali The Repose of the Spirits reminds the reader of the later poetical tradition especially the work of Rumi The prose is richly embroidered with imagery and interspersed with a great variety of Arabic and Persian poetry What is especially remarkable is the manner in which the author speaks to his readers about their own personal situations explaining why they are driven by a love affair with God a God who is full of compassion and good humor whether they know it or not William C Chittick s masterful new translation brings this work to an English language audience for the first time This is a wonderful introduction to the particular style imagery terminology and worldview of Sufism as well as to the ways in which the Persian cultural milieu added important elements to the Arabic intellectual and spiritual tradition in Islam Maria Massi Dakake author of The Charismatic Community Shi'ite Identity in Early Islam
