The Burning Of Bridget Cleary A True Story:

The Burning Of Bridget Cleary Angela Bourke,2010-12-15 In 1895 twenty six year old Bridget Cleary disappeared from her house in rural Tipperary At first some said that the fairies had taken her into their stronghold in a nearby hill from where she would emerge riding a white horse But then her badly burned body was found in a shallow grave Her husband father aunt and four cousins were arrested and charged while newspapers in nearby Clonmel and then in Dublin Cork London and further afield attempted to make sense of what had happened In this lurid and fascinating episode set in the last decade of the nineteenth century we witness the collision of town and country of storytelling and science of old and new The torture and burning of Bridget Cleary caused a sensation in 1895 which continues to reverberate more than a hundred years later Winner of the Irish Times Prize for Non Fiction
