**Japanese Calligraphy as a Way to Make the Invisible Visible** Rodica Frentiu, 2023-04-03 The book is an academic work addressed to beginners in the study of the Japanese language literature and art as well as to those fascinated by Japanese culture or by the secrets of Japanese calligraphy in particular The book combines in an exciting and unique way a theoretical analysis with the practice of calligraphy In short the book highlights the process of becoming on the path of Japanese calligraphy harmoniously reuniting the perspective of an external distant abstract view with a subjective practical internal one Because the author studied this art under the guidance of Japanese masters the book also contains the author s Japanese calligraphy works Today in the digital age this book on Japanese calligraphy emphasizes the creative synergy of handwriting through which the calm swiftness of the brush movement in a moment of concentration attention and freedom reveals a contemplative mental act The book is eventually an inner journey on the path of Japanese calligraphy as it combines the practice and theory of calligraphic art rediscovering handwriting through the reveries of the calligraphy brush in the contemporary digital age writing by painting and painting by writing

*Persian Calligraphy* Mahdiyeh Meidani, 2019-09-04 This book is an exploratory adventure to defamiliarize calligraphy especially Persian Nastaliq calligraphic letterforms and to look beyond the tradition that has always considered calligraphy as pursuant to and subordinate to linguistic practices Calligraphy can be considered a visual communicative system with different means of meaning making or as a medium through which meaning is made and expression is conveyed via a complex grammar This study looks at calligraphy as a systematic means in the field of visual communication rather than as a

one dimensional and ad hoc means of providing visual beauty and aesthetic enjoyment Revolving around different insights of multimodal social semiotics the volume relies on the findings of a corpus study of Persian Nastaliq calligraphy The research emphasizes the way in which letterforms regardless of conventions in language are applied as graphically meaningful forms that convey individual distinct meanings This volume on Persian Nastaliq calligraphy will be inspirational to visual artists designers calligraphers writers linguists and visual communicators With an introduction to social semiotics this work will be of interest to students and scholars interested in visual arts media and communication and semiotics
