Anthropology in the Public Arena Jeremy MacClancy, 2013-01-23 ANTHROPOLOGY IN THE PUBLIC ARENA A critical insider Jeremy MacClancy celebrates maverick anthropologists who transgressed academic frontiers and urges his colleagues to engage the public. This is an entertaining original and provocative book. Adam Kuper Professor Emeritus University of Cambridge Jeremy MacClancy insightfully expands the history of anthropology beyond the confines of the academy showing us how a collection of poets popularizers critics surrealists neo Freudians and iconoclast savants shaped anthropology's imagination. David Price St Martin's University Washington ANTHROPOLOGY IN THE PUBLIC ARENA This detailed survey of the evolution of anthropology in Britain is also a spirited defence of the public as well as professional role of the discipline. The author argues for a broader vision of the value of anthropological knowledge that allows for the creative contributions of popular scientists and literary figures who often capture the public imagination and add much to our knowledge of human social relations. Informed by original archival research and engaging narratives of the larger than life personalities of public intellectuals the author reveals the contributions of neglected but crucial figures such as John Layard Geoffrey Gorer Robert Graves and the originators of Mass Observation today's online repository of anthropological data. MacClancy is guided by the notion that anthropology's continued dynamism requires an alliance of interests popular and academic that will recover marginalized studies and recognize the value of contributions from outside the university research community. Its synthesis of diverse topics illuminates an anthropology that enriches the popular cultural discourse and serves

as a versatile tool for exploring pressing issues of social organization and development The reframed narrative of British anthropological history that emerges is as integral to the future of the subject as it is informative about its past **Slang and Its Analogues Past and Present** William Ernest Henley,1891 Slang and Its Analogues John Stephen Farmer,1891 **Slang and Its Analogues Past and Present** John Stephen Farmer,1891 **Transactions - The Society of Naval Architects and Marine Engineers** Society of Naval Architects and Marine Engineers (U.S.),1895 List of members in vols 1 24 38 54 57 Transactions ,1895 **Soaring** ,1973 **The Seven Villages of Barnstable** ,1976 A Dictionary of Slang, Jargon & Cant Embracing English, American, and Anglo-Indian Slang, Pidgin English, Gypsies' Jargon and Other Irregular Phraseology Albert Barrère,Charles Godfrey Leland,1897 Talking Book Topics ,1991 Includes audio versions and annual title author index **Cassette Books** Library of Congress.
