## **The Boy Travellers In Australasia:**

**The Boy Travellers in Australasia** Thomas Wallace Knox, 2025-03-29 Embark on a captivating journey to the South Pacific with *The Boy Travellers in Australasia* a classic travelogue by Thomas W Knox Originally published in the late 19th century this book chronicles the adventures of two youths as they explore the diverse landscapes and cultures of Oceania This meticulously prepared print edition offers a fascinating glimpse into a bygone era taking readers to the Sandwich Hawaiian Marquesas Society Samoan and Feejee Islands Discover the wonders of Australia and surrounding Pacific Islands through the eyes of young adventurers encountering unique customs and breathtaking scenery along the way Perfect for anyone interested in travel adventure or the history and geography of Oceania *The Boy Travellers in Australasia* remains a timeless exploration of a remarkable region Relive a classic journey and experience the allure of the Pacific This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**The Boy Travellers in Australasia** Thomas Wallace Knox, 1889 **THE BOY TRAVELLERS AUSTRALASIA** THOMAS W. KNOX, 1889

**The Boy Travellers in Australasia** Thomas W. Knox, 2016-11-23 Excerpt from *The Boy Travellers in Australasia* Adventures of Two Youths in a Journey to the Sandwich Marquesas Society Samoan and Feejee Islands and Through the Colonies of New Zealand New South Wales Queensland Victoria Tasmania and South Australia The first settlement in Australia was made in 1788 consequently the inhabitants Of the great southern continent are this year celebrating their centennial Three millions Of people settled in five great colonies possessing all the characteristics Of an advanced civilization with the unity developed by a common language and a common allegiance and the rivalry that springs from the independence Of each colony by itself are uniting in the centennial celebration and contrasting the Australia of today with that Of one hundred years ago Previous to the discovery Of gold in Australia in 1851 Americans had but little knowledge Of that far away land The Opening Of the auriferous fields attracted the attention Of the whole civilized world to the antipodes and many Americans joined the multitude that went thither in search Of wealth Since that time our relations with Australia have year by year grown more intimate Railways across our continent and steamship lines over the broad Pacific have brought Sydney and Melbourne in juxtaposition to New York and San Francisco and in this centennial Australian year we may almost regard the British colonies under the Southern Cross as our next door neighbors The writer Of this volume is not aware that any illustrated book descriptive of Australia and its neighboring colonies New Zealand and Tasmania by an American author or from an American press has ever yet appeared Believing such

a book desirable he sent those youthful veterans of travel Frank Bassett and Fred Bronson over the route indicated on the title page with instructions to make careful note Of what they saw and learned Under the guidance Of their mentor and our Old friend Doctor Bronson they carried out their instructions to the letter and the results Of their Observations will be found in the following pages Trusting that the book will meet the favor that has been accorded to previous volumes Of the Boy Traveller series they Offer their present work as their contribution to the Australian centennial About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*Boy Travellers in Australia* Thomas W. Knox, 1993-11-15 Travel to distant exotic places with this classic travel book This digital edition containing 538 pages and about the same number of fascinating illustrations has everything the armchair traveler could wish for and more Originally written as a contribution to the Australian Centennial in 1888 this delightful work is based on the author's intimate knowledge of the areas visited and on painstaking historical and scientific research About one third of this engrossing work is concerned with Hawaii and the other Polynesian areas of the Pacific The author draws a charming picture of Honolulu and Oahu in the idyllic latter years of the Hawaiian monarchy He follows this with a carefully detailed description of Tahiti at the very time Gauguin was painting his masterpieces of native life there The travel and culture book however is chiefly concerned with the Australian region and is the first illustrated book describing Australia and the neighboring colonies Tasmania and New Zealand written by an American and published by an American printer Here is humor especially in many of the illustrations nostalgia and escapism The book is an invaluable contribution toward a better understanding of Victorian Australia and Polynesia      *The Boy Travellers in Australasia* Thomas Wallace Knox, 2013-12 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book      ***The Boy Travellers in Australasia*** Thomas Wallace Knox, 2015-11-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public

domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Boy Travellers in Australasia** Thomas Wallace Knox, Charles V. S. Borst, 1889 Thomas Wallace Knox 1835 1896 at the height of his career in the 1880s was one of the most popular literary figures of the New York scene Journalist best selling author inventor world traveller This book originally written as a contribution to the Australian Centennial in 1888 was based on the author's knowledge of the areas and subsequent historical and scientific research
