The Apocalypse Revealed. By Emanuel Swedenborg, Etc ,1876 **The Book of Revelation Through Hebrew Eyes Vol**

2 John Klein,Adam Spears,2009-06 This is the second book in a three volume series that will cover the entire book of Revelation in awe inspiring detail expounding and expanding on familiar verses in God s word that have been misunderstood and misconstrued for many years In this volume the authors explore the first half of Revelation from the perspective they established so clearly in Volume i that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language culture customs and concepts that form both the literal and the metaphorical

foundation for vast portions of Revelation *Apocalypse!* David C. Cooper, 2000-02-01 With the skill that has made him a popular speaker and Christian television personality Pastor Cooper skillfully opens the Word of God and interprets today's headlines in the light of the Revelation Clearly he says history is going somewhere Some of the things he discusses are doomsday cults the coming economic chaos the certain and unmistakable rise of the Antichrist the Second Coming of Jesus the Great Tribulation the Mark of the Beast Rapture and Revelation R. G. Brock, 2009-10 This book is not written for Christians alone but is written for anyone who desires to know the near future Study helps and materials are listed along with instructions which will give any one the means to understand even the most difficult scriptures in the Bible which is the most accurate of any book on end time events With many books on the subject none are as telling and straight forward as Rapture and Revelation While there are many fears concerning the end times author R G Brock embarks on the task to unravel the mysteries of the Rapture and Revelation While attending Rhema Bible Training Center in Broken Arrow Oklahoma R G Brock had the privilege of being taught by well known author and teacher brother Kenneth Hagin Sr who has since went home to be with Jesus After being inspired by one of Hagin's lectures Brock obeyed his strong urge to write a book on the end times This heart gripping treatise will guide you into the truth as you uncover the mystery of the end of times This book is written to give you a clear incite into the end of this age The end begins with peace when a worldwide 7 year peace agreement is signed in the next few years which will be backed by a one world government run by the United Nations Then in the middle of the 7 year period the peace agreement will be broken and all hell literally breaks loose which leads to a time of trouble such as never has been or ever will be again During this time of the last 3 1 2 years which is called great tribulation most of the people on the earth will die However if you are a Christian you will not go through this terrible time You will find this book is the most in depth study on what is called the rapture which is the catching away of the Christians to not go through great tribulation and you will find that it is by far the most in depth study of The Revelation which shows what will happen during this time of great trouble *The Apocalypse Revealed, Wherein are Disclosed the Arcana There Foretold, which Have Heretofore Remained Concealed* Emanuel Swedenborg, 1875 **The Apocalypse Revealed, Wherein are Disclosed the Arcana There Foretold, which Have Heretofore Remained Concealed** Emanuel Swedenborg, 1873 "The" True Christian Religion, Containing the Universal Theology of the New Church, Foretold by the Lord in Daniel VII. 13, 14, and in Revelation XXI. 1, 2 Emanuel Swedenborg, 1878 **Apocalypse Revealed** Emanuel Swedenborg, 1875 **The True Christian Religion: Containing the Universal Theology of the New Church, Foretold by the Lord in Daniel VII, 13, 14** Emanuel Swedenborg, 1878 The Apocalypse Revealed Emanuel Swedenborg, 1876 **The True Christian Religion** Emanuel Swedenborg, 1875 *Revelation* John F. MacArthur, 2016-06-28 The book of Revelation unveils Jesus Christ in his glory and victorious return And yet no other New Testament book of the Bible poses more serious and difficult interpretative challenges John MacArthur will take you through the book passage by passage so

that you can better understand everything from the historical context to the coming of Christ's Kingdom. The apostle John wrote this letter to the churches in Asia Minor who were feeling the overwhelming effects of persecution from all sides. It was a reminder to them that God saw their hardships, cared about them, and would reward them for their faithfulness. Through the use of vivid imagery, John writes Revelation to reveal the end of human history, the return of Christ, and the establishment of a new heaven and a new earth. John's message of hope in Revelation assures Christians that God is in sovereign control of all past, present, and future events. He encourages believers to trust that Jesus Christ will judge the lost and will rule in ultimate victory over all human and demonic opposition.

What Brings a Soldier to His Knees Jerry A. Webster, 2012-04 I have fought the torments of combat and of being a Christian. I always questioned myself with God and war many times and felt that I might have something to say that could help someone else going through the life experiences and having the similar questions. I have learned that we must work together in Christ to make a difference in life. Being a soldier in the United States Army was the life that I knew and wanted. I don't regret things of the past in service, however, I wish peace could happen. God does not hold you accountable for doing what you have to do while on the battle field as long as you do it with integrity and a humble heart. Through this book, I have come to terms with what I once could not face. I have been put at ease with many things that once haunted me. My prayer is that if you too are in the same situation, I was through this book, you will find solace. This has drawn my family together even more closely because God is good all the time and all the time God is good.

The Voice of the Seven Thunders J. Lemuel Martin, 1878
