The Broadview Of Common Errors In English:

The Broadview Book of Common Errors in English - Fifth Edition Don LePan, 2003-04-17 The Broadview Book of Common Errors in English offers full coverage of such common mistakes as commas splices sentence fragments words frequently confused words frequently misspelled mixed metaphors and subject verb agreement errors In each case the problem is clearly explained with examples illustrating both the nature of the trouble and how to put it right Unlike many guides to grammar and usage The Broadview Book refrains from dogmatism it treats correctness in English not as an unchanging objective standard laden with moral overtones but rather as a code of convenience that is extraordinarily useful in helping humans to communicate effectively and even elegantly It thus retains an openness to the inevitable process of change in the English language and recognizes that change does not imply debasement The fifth edition has been updated throughout and includes new material on capitalization on the connections between clear writing and clear arguments on academic citation systems on business writing and on particular difficulties experienced by those whose first language is not English The Broadview Book of Common Errors in English Don LePan, Broadview Press. Editorial Board, 1988 *The Broadview Book of Common Errors in English* Broadview Press, INDEPENDENT PUB GROUP, 1988-01-01 **The Broadview Book of Common Errors in English - ESL Edition** Martin Boyne, Don LePan, 1995-05-31 The ESL edition of Common Errors in English offers a comprehensive survey of the sorts of difficulties second language learners most often experience with English and provides real help to students in overcoming them The body of the book is organized according to grammatical categories covering such topics as Verb Tense difficulties Word Order Problems Negation Gerunds and Direct Objects Singular and Plural Difficulties and Direct and Indirect Speech Included as well is a comprehensive section on usage and meaning and a list of words commonly misspelled The authors take care to avoid the harshly prescriptive the book is informed throughout by a sympathetic understanding both of the difficulties that face every ESL student and of the particular problems faced by individuals from different linguistic backgrounds as they learn the peculiarities of English grammar and usage The book includes a generous selection of exercises informed by these principles and an accompanying answer key Common Errors in English ESL Edition will be an invaluable reference text for second language learners at a wide variety of levels The Broadview Book of Common Errors in English, fourth edition Don LePan, 1999-08-23 New fifth edition Offers full coverage of such common mistakes as commas splices sentence fragments words frequently confused words frequently misspelled mixed metaphors and subject verb agreement errors Clearly explained with examples illustrating both the nature of the trouble and how to put it right *The Broadview Book of Common Errors in English* Don LePan, 1992 The Broadview Book of Common Errors in English - Fifth Edition Don LePan, 2003-04-17 The Broadview Book of Common Errors in English offers full coverage of such common mistakes as commas splices sentence fragments words frequently confused words frequently misspelled mixed metaphors and subject verb agreement errors In each case the problem is clearly

explained with examples illustrating both the nature of the trouble and how to put it right Unlike many guides to grammar and usage The Broadview Book refrains from dogmatism it treats correctness in English not as an unchanging objective standard laden with moral overtones but rather as a code of convenience that is extraordinarily useful in helping humans to communicate effectively and even elegantly It thus retains an openness to the inevitable process of change in the English language and recognizes that change does not imply debasement The fifth edition has been updated throughout and includes new material on capitalization on the connections between clear writing and clear arguments on academic citation systems on business writing and on particular difficulties experienced by those whose first language is not English **Garner's**

Modern American Usage Bryan Garner, 2009-08-27 Since first appearing in 1998 Garner's Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation Now in the third edition readers will find the Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout Garner's Modern American Usage 3e is the first usage guide ever to incorporate such a language change index and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved [Saving our Prepositions](#) David

Thatcher, 2014-06-06 Prepositions words like above from in of and with which relate one part of a sentence to another are though few in number among the most frequently used words in English They are also among the most frequently misused writers and speakers alike seem to have endless trouble in choosing the right or acceptable preposition The sad result is widespread uncertainty confusion and misunderstanding Addressed to both native speakers and to learners of English as a second language Saving our Prepositions A Guide for the Perplexed offers many examples of standard and non standard practice with the aim of helping its readers avoid slipping up on what have been called the banana peels of modern speech Informative as well as entertaining this timely guide will be of interest and value to all who cherish the English language and want to use it clearly and effectively *Georgetown University Round Table on Languages and Linguistics (GURT) 1994:*

Educational Linguistics, Cross-Cultural Communication, and Global Interdependence James E. Alatis, 1995-03-03 The essays in this volume explore communication across cultures using an interdisciplinary approach to language teaching and learning mediated by the growing field of educational linguistics Topics include the use of English as a medium of wider communication and the growth of national varieties of English throughout the world An international array of distinguished contributors includes scholars from China Great Britain Hong Kong India Israel Nigeria Singapore Taiwan Ukraine and the

United States This collection suggests that language diversity is a unifying force in a globally interdependent world
