## **The Brontë Myth:**

**The Brontë Myth** Lucasta Miller, 2013-03-31 A fascinating and wonderfully readable deconstruction of the countless myths that have grown up around the Brontës. Since 1857 hardly a year has gone by without some sort of Brontë biography appearing. These range from pious accounts in Victorian conduct books to Freudian psychobiographies, from plays, films and ballets to tourist brochures and images on tea towels from sensation-seeking penny liners to meticulous works of sober scholarship. Each generation has rewritten the Brontës to reflect changing attitudes towards the role of the woman writer, towards sexuality, towards the very concept of personality. The Brontë Myth gives vigorous new life to our understanding of the novelists and their culture, and Lucasta Miller reveals as much about the impossible art of biography as she does about the Brontës themselves. **WITH A NEW INTRODUCTION FROM THE AUTHOR** The Brontë Myth Lucasta Miller, 2003

**The Secret Diaries of Charlotte Brontë** Syrie James, 2009-06-30 I have written about the joys of love I have in my secret heart long dreamt of an intimate connection with a man every Jane I believe deserves her Rochester. Though poor, plain and unconnected, Charlotte Brontë possesses a deeply passionate side which she reveals only in her writings, creating Jane Eyre and other novels that stand among literature's most beloved works. Living a secluded life in the wilds of Yorkshire with her sisters Emily and Anne, their drug-addicted brother and an eccentric father who is going blind, Charlotte Brontë dreams of a real love story as fiery as the ones she creates. But it is in the pages of her diary where Charlotte exposes her deepest feelings and desires and the truth about her life: its triumphs and shattering disappointments, her family, the inspiration behind her work, her scandalous secret passion for the man she can never have and her intense dramatic relationship with the man she comes to love, the enigmatic Arthur Bell Nicholls. Who is this man who has dared to ask for my hand? Why is my father so dead-set against him? Why are half the residents of Haworth determined to lynch him or shoot him? From Syrie James, the acclaimed bestselling author of *The Lost Memoirs of Jane Austen*, comes a powerfully compelling, intensely researched literary feat that blends historical fact and fiction to explore the passionate heart and unquiet soul of Charlotte Brontë. It is Charlotte's story just as she might have written it herself. The Brontë Family Francis A. Leyland, 1886 **Brontëana.**
