The Brush Of Angels Wings:

Sunlight through the Trees and Other Poems Kristi Bishop, 2021-06-24 Sunlight through the Trees and Other Poems shares thoughts and reflections on a variety of topics ranging from nature's grandeur and beauty to our need for God's love. Descriptive language, imagery, and lyrical cadences inspire readers to be mindful of blessings both large and small. The poems in this book were written over the course of thirty-five years and draw from hardship as well as joyful experiences. Many were penned in the quiet of the early morning as an observation of some aspect of creation as praise to God for his goodness or in anticipation of the life awaiting us in heaven. A paragraph that expounds on meaning and reveals the source of inspiration precedes each poem. It is the author's prayer that this book will guide readers to seek deep and meaningful connections with God and nature.

The Heart That Loves Us Jody Diehl, 2018-12-14 Blessed is the star of joy That God may send our way It draws us ever closer Sends us to our knees to pray We must not see it as a cloud But as a ray of light A star of joy from heaven That will bless us in His sight jody diehl God not only loves us as our Father but also as our Creator and Shepherd His love is what gives us joy peace comfort hope strength and wisdom No matter what happens during our earthly lives God will never leave or forsake us His grace will sustain us and His mercy endures forever In a collection of inspirational poems jody diehl shares God's messages that allow spiritual seekers to gain a deeper understanding of Him and their faith Her poems reflect on all the ways that God is present in our lives why we should believe in miracles and why He sometimes sends stars from heaven Included within her verse are scriptural passages that guide seekers to find further inspiration within the pages of the Bible The Heart That Loves Us shares moving poetry that gently reminds all of us that we are dearly loved by our heavenly Father

Imogen's Adventures in Angel-Wing Forest G. N. Bell, Joel Ray Pellerin, 2016-01-19 I was inspired to write this book after watching my young granddaughter Imogen playing in my garden one summer. From an early age Imogen began to show signs of having an extraordinary imagination. When in trouble with her grandma over small transgressions she would quickly say that it was the naughty little elves in granddad's garden that made her do these naughty things. Hearing this I decided to place a few small elves, fairies, gnomes, and pixies in parts of my garden. I have to say that this idea really took off. Imogen began to invent really outlandish stories of the fun she was having in the garden with the naughty little elves. So much so that I began to add other little characters into the garden. As I began to write this book I suddenly became as much of a child as my granddaughter. I began to create in my head anyway lots of different characters and the different things that they would get up to. Every time I would sit in front of my PC to write another story I suddenly became a child once again. I found myself almost believing in the adventures that I was writing about. Not only was I beginning to believe in the adventures but I found myself being dragged into the stories. It was as if I was really there in Angel Wing Forest with my granddaughter Imogen. When I had completed this collection of adventures in Fairy Land I gave them to my granddaughter to read and she loved them. So remember people if you can set aside all your adult thoughts and your adult ways for one day

then you just might enjoy the adventures in Angel Wing Forest with your own beautiful children **Renewal Theology** J.
