## **The Burglar Who Thought He Was Bogart:**

**The Burglar Who Thought He Was Bogart** Lawrence Block, 2009-10-13 Bookseller Bernie Rhodenbarr is in love with an exotic Eastern European beauty who shares his obsession with Humphrey Bogart movies. He is in heaven munching popcorn with his new amour every night at a Bogart Film Festival until their Casablanca-esque idyll is cut short by his other secret passion burglary. When he is hired to pilfer a portfolio of valuable documents from a Park Avenue apartment, Bernie can hardly refuse. But the occupant's early return forces Bernie to flee empty-handed, and he soon finds himself implicated in a murder. Before you can say who stole the strawberries, he is hunting for a killer up to his neck in the outrageous intrigues of a tiny Balkan nation and menaced by more sinister fat men and unsavory toadies than the great Bogie himself. Butted heads with in pursuit of that darn bird.

**Three Hollywood Stalwarts in Literature** Henryk Hoffmann, 2022-03-15 This book focuses on the perception of the names, personae, performances and films of three Hollywood megastars: Gregory Peck, Robert Mitchum, and William Holden, as presented in the references and allusions encountered in American and foreign literature. Its secondary aim is to establish the impact factor of the three actors and their major films and provide extensive data for further studies on the complex and bilateral relationships between film and literature. The pertinent quotations in *Three Hollywood Stalwarts in Literature: A Study in Film Perception Through References to Peck, Mitchum, and Holden* have been extracted from nearly 220 works by about 140 authors. The majority of the works were written by acclaimed authors; amongst them are some well-known American mainstream writers such as John Updike, John Irving, Fannie Flagg, and Anne Tyler; some leaders of the mystery genre include Martha Grimes, Stuart Kaminsky, Elmore Leonard, Sara Paretsky; and a few masters of other popular genres such as Stephen King and Dean Koontz. The global flavor of the citations is provided by international authors: e.g. Julio Cortázar, Elizabeth Hay, Henri Charrière, Sébastien Japrisot, and authors born to first-generation U.S. immigrants: e.g. Oscar Hijuelos. Almost seventy films referenced in world literature are discussed in the book, and those mentioned in the biggest number of works include *Sunset Boulevard*, *The Wild Bunch*, *To Kill a Mockingbird*, *Roman Holiday*, *Spellbound*, *The Guns of Navarone*, and *Duel in the Sun*, among others. This book will appeal to college professors and students interested in film studies, specifically film analysis and criticism, film perception, and film genres. It will also hold interest for the general reader interested in biographies of movie personalities and the careers of the three actors, movie and stage actors, and fans of the western film noir and war genres.

**Western Movie References in American Literature** Henryk Hoffmann, 2012-10-09 References to western movies scattered over some 250 works by more than 130 authors constitute the subject matter of this book, arranged in an encyclopedic format. The entries are distributed among western movies, television series, big screen and television actors, western writers, directors, and miscellaneous topics related to the genre. The data cover

films from *The Great Train Robbery* 1903 to *No Country for Old Men* 2007 and the entries include many western film milestones from *The Aryan* through *Shane* to *Unforgiven* television classics *Gunsmoke* *Bonanza* and great screen cowboys of both A and B productions      *Tanner's Twelve Swingers* Lawrence Block, 2009-10-13 Sometime spy Evan Tanner has accepted impossible assignments for many reasons money thrills to have something to occupy his waking hours twenty four of them every day in fact since battlefield shrapnel obliterated his brain's sleep center But this might be the first time he's put his life on the line for love Tanner's agreed to smuggle a sexy Latvian gymnast the lost lady love of a heart sick friend out of Russia With the Cold War at its chilliest and the Iron Curtain slammed shut this will not be easy especially since everybody in Eastern Europe it seems wants to tag along including a subversive Slav author and the six year old heir to the nonexistent Lithuanian throne But that's not the biggest hurdle The gymnast refuses to budge unless Tanner rescues her eleven delightfully limber teammates as well and that might be raising the bar too lethally high for even the ever resourceful Evan Tanner to clear      *Bowker's Guide to Characters in Fiction* 2007, 2008-02      [Step by Step](#) Lawrence Block, 2009-05-19 From the revered New York Times bestselling author comes a touching insightful and humorous memoir of an unlikely racewalker and world traveler Before Lawrence Block was the author of bestselling novels featuring unforgettable characters such as the hit man Keller private investigator Matthew Scudder burglar Bernie Rhodenbarr and time traveler Evan Tanner he was a walker As a child he walked home from school mostly because he couldn't ride a bike As a college student he walked until he was able to buy his first car a deep blue 1950 Chevrolet coupe named Pamela after the Samuel Richardson novel As an adult he ran marathons until he discovered what would become a lifelong obsession never mind if some people didn't think it was a real sport racewalking By that time Block had already spent plenty of time walking through the city of New York But racewalking ended up taking him all over the country from New Orleans to Anchorage from marathons in the punishing heat to marathons in the pouring rain And along the way as he began to pen the books that would make him a household name among suspense fans all over the world he found that in life as in writing you just need to take one step after the other Through the lens of his adventures while walking in twenty four hour races on a pilgrimage through Spain and just about everywhere you can imagine Lawrence Block shares his heartwarming personal story about life's trials and tribulations discomforts and successes which truly lets readers walk a mile in the master of mystery's shoes      **Bloomsbury Good Reading Guide** Nick Rennison, 2006 Deciding what to read next when you've just finished an unputdownable novel can be a daunting task The Bloomsbury Good Reading Guide features hundreds of authors and thousands of titles with navigation features to lead you on a rich journey through some of the best and most interesting books that have been published This greatly expanded edition also includes the latest contemporary authors and landmark novels An accessible and easy to read guide that no serious book lovers should be without      *Hit Parade* Lawrence Block, 2009-03-17 Keller is friendly Industrious A bit lonely sometimes If it wasn't for the fact that he kills people for a living he'd be just your average Joe The inconvenient

wife the troublesome sports star the greedy business partner the vicious dog he'll take care of them all quietly and efficiently. If the price is right. Like the rest of us, Keller's starting to worry about his retirement. After all, he's not getting any younger. His victims on the other hand aren't getting any older. So he contacts his booking agent Dot up in White Plains and tells her to keep the hits coming. He'll take any job anywhere. His nest egg needs fattening up. Of course being less choosy means taking greater risks and that could buy Keller some big trouble. Then again in this game there are plenty of opportunities for some inventive improvisation and a determined self-motivator can make a killing. Hit and Run Lawrence Block, 2009-03-17

For years now Keller's had places to go and people to kill. But enough is enough. Just one more job paid in advance and he's going to retire. Waiting in Des Moines for the client's go ahead, Keller's picking out stamps for his collection at a shop in Urbandale when somebody guns down the charismatic governor of Ohio. Back at his motel, Keller sees the killer's face broadcast on TV. A face he's seen quite often. Every morning. In the mirror, Keller calls his associate Dot in White Plains but there's no answer. He's stranded halfway across the country and every cop in America has just seen his picture. His ID and credit cards are no longer good and he just spent almost all of his cash on the stamps. Now what. **Beacham's Encyclopedia of Popular Fiction** Kirk H. Beetz, 1996

**Tanner's Tiger** Lawrence Block, 2009-10-13 The Cold War's boiling over. Global tensions are near the breaking point. So what's the perfect assignment for a super spy who hasn't slept since the Korean conflict? A fun-filled trip to the Montreal World's Fair. The adorable little girl he's escorting who under different circumstances would be sitting on the Lithuanian throne can hardly contain her excitement but it isn't all playtime for Evan Tanner. Some mysterious disappearances apparently linked to the fair's Cuban exhibition need to be looked into. Keeping his mind on business, however, won't be easy after an insatiable lovely in a tiger skin falls into Tanner's arms and a mother lode of dangerous drugs falls into his lap. But the biggest deadliest surprise is the terrorist plot. Tanner's tumbling into it and he'll have to think and act quickly to prevent the visiting queen of England from being blown to smithereens. **Words on Cassette, 2002** R R Bowker Publishing, 2002
