*The Burning Court* John Dickson Carr,2025-11-04 A suspicious death has the hallmarks of witchcraft in this locked room mystery by a master of the genre When Edward Stevens an editor at Herald and Son s publishing house learns of the mysterious events that befell his neighbor s rich uncle he shrugs off their seemingly supernatural circumstances He s a logical man and doesn t give much credence to claims of a ghostly figure visiting the man before his death or the witch s ladder discovered under his pillow after he passed But as suspicions of strange murder begin to creep in it becomes harder for Stevens to ignore their eerie potential His neighbor breaks into the cement sealed crypt where his uncle is buried only to learn that the corpse has vanished Witness testimony further implicates the intrusion of the spirit world into the affair of the murdered uncle and unsettling echoes of the past into the present push things even further past Stevens understanding of reality Will the events be logically explained or is there something unexplainable at work The answer lies in the pages of this atmospheric and haunting puzzler which finds Carr the master of the locked room mystery operating at the peak of his powers *The Burning Court* John Dickson Carr,2011-01 A classic tale combining hints of the supernatural and an impossible murder The death of Miles Despard looks simple enough But then how does the housekeeper see a woman walk through a wall And how would someone walk through a door that had been bricked up two hundred years ago To all intents and purposes it looks as if someone has come from the past to commit the murder but could that really be the case Surely not
