*Translating Picturebooks* Riitta Oittinen, Anne Ketola, Melissa Garavini, 2017-10-10 *Translating Picturebooks* examines the role of illustration in the translation process of picturebooks and how the word image interplay inherent in the medium can have an impact both on translation practice and the reading process itself. The book draws on a wide range of picturebooks published and translated in a number of languages to demonstrate the myriad ways in which information and meaning is conveyed in the translation of multimodal material and in turn the impact of these interactions on the readers experiences of these books. The volume also analyzes strategies translators employ in translating picturebooks including issues surrounding culturally specific references and visual and verbal gaps and features a chapter with excerpts from translators diaries written during the process. Highlighting the complex dynamics at work in the translation process of picturebooks and their implications for research on translation studies and multimodal material this book is an indispensable resource for students and researchers in translation studies multimodality and children s literature

## **Women in the Chinese Enlightenment**

Zheng Wang, 2023-11-15 Centering on five life stories by Chinese women activists born just after the turn of this century this first history of Chinese May Fourth feminism disrupts the Chinese Communist Party s master narrative of Chinese women s liberation reconfigures the history of the Chinese Enlightenment from a gender perspective and addresses the question of how feminism engendered social change cross culturally. In this multilayered book the first person narratives are complemented by a history of the discursive process and the author s sophisticated intertextual readings. Together the parts form a fascinating historical portrait of how educated Chinese men and women actively deployed and appropriated ideologies from the West in their pursuit of national salvation and self emancipation. As Wang demonstrates feminism was embraced by men as instrumental to China s modernity and by women as pointing to a new way of life. Centering on five life stories by Chinese women activists born just after the turn of this century this first history of Chinese May Fourth feminism disrupts the Chinese Communist Party s master narrative of Chinese women s liberation reconfigures the h

*Multimodality in Translation Studies* Li Pan, Xiaoping Wu, Tian Luo, Hong Qian, 2023-12-14 Focusing on multimodality in translation studies this edited volume presents insights into the models trends and practices of multimodal translation across a variety of media contexts in contemporary China. The book is structured into five main themes investigating audiovisual translation in digital media multimodal translation of Chinese classics in print media multimodal design in website translation stance and ideology of paratexts in news translation and the use of paralanguage and visual cues in quasi on site multimodal translation such as conference interpreting. Contributors draw on various theoretical models and research methods including systemic functional multimodal discourse analysis narrative theory Skopos functional theory multimodal analysis of digital discourse corpus assisted multimodal analysis questionnaire surveys and interviews. The volume covers major topics in multimodal translation studies ranging from emerging multimodal translation models to multimodal creativity in inter lingual subtitling for social

media image framing in multimodal metaphor translation and intersemiotic structure information value cohesion and coherence in different textures of media translation Through ample solid empirical studies it aims to shed lights on the methodological development of multimodal translation across various media forms including social media websites on site interactions and books The title will be of great value to scholars and students studying linguistics translation studies multimodal discourse analysis and digital media *Multimodal Approaches to Chinese-English Translation and Interpreting* Meifang Zhang,Dezheng (William) Feng,2020-12-29 Nowadays discourse analysis deals with not only texts but also paratexts and images so do translation and interpreting studies Therefore the concept of multimodality has become an increasingly important topic in the subject areas of linguistics discourse analysis and translation studies However up to now not much research has been done systematically on multimodal factors in translation and interpreting and even less in exploring research models or methodologies for multimodal analysis in translation and interpreting This book aims to introduce and apply different theories of the multimodal discourse analysis to the study of translations with case studies on Chinese classics such as the Monkey King Mulan and The Art of War as well as on interpretations of up to date issues including the Chinese Belt and Road Initiatives and Macao tourism The chapters reflect the first attempts to apply multimodal approaches to translation and interpreting with a special focus on Chinese English translations and interpreting They provide new understandings of transformations in the multimodal translation process and useful reference models for researchers who are interested in doing research of a similar kind especially for those who are interested in looking into translations related to Chinese language literature and culture *The Psychosocial Implications of Disney Movies* Lauren Dundes,2019-07-11 In this volume of 15 articles contributors from a wide range of disciplines present their analyses of Disney movies and Disney music which are mainstays of popular culture The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered Given its global reach how the Walt Disney Company handles the role of race gender and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume On the other hand other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies The authors of the 15 articles encourage readers to engage with the material showcasing a variety of views about the good the bad and the best way forward
