Tale of the Crawdad Mike Johnson,2019-08-31 After retiring from a long career in the corporate world Mike Johnson was searching for freedom liberation from the dredges a civilized society imposes on unsuspecting victims For two years he enjoyed his newfound freedom first searching for then rebuilding an aging North Sea tuna trawler into his own personal yacht Johnson spent his lazy days of freedom as the skipper of his own boat the Crawdad During this reprieve from the corporate rat race he met many interesting characters but none so interesting or deadly as the men who stole onto the Crawdad in the middle of the night in the middle of the Gulf of Mexico Returning to the States after a sojourn in Ensenada Mexico Johnson encountered a burning boat Searching for survivors he discovered his own freedom was at stake when one of them snuck aboard the Crawdad and with his 38 pointed at Johnson s head ordered him to turn around and look for his cohorts in a drug deal gone awry For nearly a week Johnson hovered between threats of death and the need for him to help the hijackers return to California with their junk in tow During this time he got to know each of the hijackers on a near intimate basis Each was searching for his own truth Johnson had to use his wits to ensure he survived this dangerous adventure In *Tale of The Crawdad* Johnson shares his story discovering his own truth about survival and freedom **ALL**

was to self identify as socialist to attract non Marxists to his party Hitler's political work continued until he secured high office in Marx's homeland. After gaining power Hitler seized the Means of Production with the Reichsarbeitsdienst, The Reich Labour Service or RAD and various other alphabet bureaucracies. Hitler replicated the communist Soviet Union which used the term socialist in its self identification Union of Soviet SOCIALIST Republics. Following the lead of the USSR and other communists Hitler used the term socialist not communist in the name of his political party Comrade. Hitler's communism remained on display when he joined Soviet communism to launch WWII invading Poland together and going onward from there in a secret conspiracy for their Global Marxism. Hitler persuaded Stalin to pursue International Communism. Hitler was more Marxist than Stalin, Mao, Pol Pot, Castro, the Kim thugs etc. Hitler believed that capitalism was dying as did Marx. Hitler had observed the USSR and witnessed the death of capitalists they were murdered there. Hitler continued to follow Marx's communism and the communist USSR when Hitler attempted to eliminate the Bourgeois class. Many monsters were inspired by Karl Marx. He remains popular today. China drooled over Marx in the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx's birth 2018. Yes China is humiliated by the same old German who influenced Hitler. Of course China has the largest population billions who self identify the same as Hitler SOCIALIST the same way that Marx self identified. And Xi's video is a grim reminder that Mao worshipped Stalin Hitler's partner to start WWII.
