Managerial Accounting 2nd Edition Braun Tietz And Harrison:

Pricing Strategies Robert M. Schindler, 2011-09-15 This book is consistent in its treatment thorough correct in scholarship and well researched An impressive achievement given the breadth and complexity of the area Randolph E Bucklin Peter W Mullin Professor of Marketing Anderson School of Management University of California Los Angeles Written by a leading pricing researcher *Pricing Strategies* makes this essential aspect of business accessible through a simple unified system for the setting and management of prices Robert M Schindler demystifies the math necessary for making effective pricing decisions His intuitive approach to understanding basic pricing concepts presents mathematical techniques as simply more detailed specifications of these concepts

International Marketing Daniel W. Baack, Eric G. Harris, Donald Baack, 2013 *International Marketing* presents an innovative integrated approach to the course in which marketing concepts are explored in depth within the international context The authors identify five key factors that impact any international marketing venture culture language political legal systems economic systems and technological operational differences and discuss them in relation to the core marketing concepts of markets products pricing distribution place and promotion Uniquely the book provides discussions of sustainability and bottom of the pyramid concepts within each chapter and is richly illustrated with examples from both multinational companies as well as smaller local concerns Setting the path for the future direction of this course the authors provide instructors and students with the first truly international marketing textbook
