Rezaul Islam, 2022-07-08 This handbook provides an authoritative account of social work field education in the global south. It presents an overview of various aspects of theory and practice modules in the social work curriculum and advances in research in social work field education in the developing world through in-depth analyses and global case studies. Key features: Discusses critical issues and new directions in the theory and practice of social work field education; challenges in field work education; decolonising field work training; developing competent social work graduates; aligning fieldwork with cultural practices in indigenous communities; the idea of clinical social work; and a comparative analysis of social work field supervision. Integrates theory and practice of social work field education for students and teachers from diverse geographical and cultural contexts across the global south including countries from South Asia and Asia, Africa and Latin America and the Caribbean: covering India, Bangladesh, Pakistan, Nepal, Sri Lanka, China, Georgia, Philippines, Turkey, Papua New Guinea, Eswatini, Republic of Trinidad and Tobago, Kenya, Nigeria, South Africa, Botswana, Chile and Barbados.
