Structural Adjustment? Have you ever asked yourself the question what are we adjusting from? What are we adjusting towards?

Structural Adjustment from what to what?

Adjustment out of the post-colonial development priorities (1960-1980) towards the options of adjusting to global capitalism and private sector led development (1980-the present)

| Post-Colonial Development Strategies                                   | Structural Adjustment (Suited to Private capital)  |
|--|--|
| Nationalization  | Privatization  |
| Protection of Labour   | Reduction in the power of Labour   |
| State intervention towards equity, protection of vulnerable groups     | Rolling back of the state  |
| Pursuit of Social Policies eg. Education, Health, Housing              | Reduction in Social Spending due to concerns about an over-burdened Public Sector etc.   |
| Protection/encouragement of local business class                       | Facilitation of Foreign Investors  |
| Emphasis on Progressive Taxation to facilitate state-directed projects | Emphasis on 'tax cuts' for capital, less emphasis on state-directed interventions and greater emphasis on 'trickle-down' economics and private sector led activities |
