**It Pleased Me to Bruise Him** Robert Steven Trahern,2019-03-25 Isaiah 52 13 through 53 12 You will notice as you read the poem Isaiah 52 13 through 53 12 that there are square brackets that look like this in it Inside those square brackets are parts of the poem that my editor the Maker of heaven and earth the One who walks alongside me and abides in me corrected me on You see I was in the shower one morning and I was thinking about my son He was playing baseball and he looked just like me when I was his age He was stealing bases and everything just like I did because he was fast just like I was The more I thought about him the more excited I became I was bursting with pride at his accomplishments Suddenly the Lord spoke to me these words It pleased me to bruise him I knew instantly that it was the Lord because who else would say that to me And I knew exactly what He meant You see I take five versions of the Bible to create poems along with the Greek and Hebrew

Lexicons to get an enormous quantity of words And so I had chosen these words It was the Lord s will to crush him I had toned it down to the Lord s will because I thought surely it sounds a little harsh to say that it pleased the Lord to crush him But don t you see what the Lord did He waited until I was having the same type of feeling for my son that He was having for His Son and He spoke those words to me     **God Spoke Once, I Heard Twice** Rabbi Dr. Hillel Goldberg,2024-12-15

Moving from cosmology to creativity to criminology the Torah explores the breadth of human existence ethics and ritual narratives of Patriarchs and Matriarchs history and a philosophy of history all of these drive the first five books of Hebrew Scripture But as Rabbi Hillel Goldberg explains in this probing and insightful commentary these sacred texts are governed by one idea one God God blesses the human being with power and also imposes limits A human being may not kill not commit any sacrifice not act unjustly God retains ultimate power including the prerogative to make ethical ritual and spiritual laws which fill the Torah The Torah is a kaleidoscope and Rabbi Goldberg refracts it through its fifty four prisms its fifty four chapters But a single reality undergirds all one God Rabbi Goldberg s exploration of the diversity of disciplines in the Torah demonstrates how naturally the idea of monotheism emerges In Genesis God chooses one family to carry out His mission in history The book of Exodus narrates God s liberation of this family s descendants in order to bring His mission to fruition Leviticus details the laws by which God s people serve Him through ethics ritual even agriculture Numbers begins with the metahistory of God s people as He sustains it with manna and guides it with a pillar of fire and a pillar of cloud then resumes the history of His people as it wages war and prepares to conquer the promised land Fearful of idolatry there Moses in Deuteronomy concludes his exhortation to remain faithful to the invisible presence of God Bible commentary according to Rabbi Goldberg should mirror the many ways God enters into the human experience Offering philosophic inquiry personal reflection and fresh exegesis plus a touch of poetry humor and storytelling God Spoke Once I Heard Twice is a brilliant learned and inspired contribution to an ongoing chronicle of faith     **Hooper's Evangelist and Minister's Handbook**

### **The Beginnings of History According to the Bible and the Traditions of Oriental Peoples**

François Lenormant,1882  ,1990 **Using Biblical Hebrew in Ministry** Don Parker,1995-10-24 This book is a beginner s guide to biblical Hebrew It serves as a tool for ministers and ministers in training who want to become more effective preachers and instructors The book s uniqueness is in its tool based approach it includes a list of abbreviations of Biblical Books and an appendix of the basics of Hebrew The lesson in Hebrew is practical the author first answers basic questions about biblical Hebrew and then takes the reader through a series of analyses that discuss learning the language from words to figures of speech to Hebrew writing both narrative and poetry and finally to broader issues of culture and communication Using Biblical Hebrew in Ministry is an excellent and resourceful text for ministers as well as Seminaries and Bible colleges that offer courses such as Biblical Hebrew for English Speakers Using Biblical Resource Tools Biblical Hebrew and Hebrew exegesis

**The Church School Herald-journal** ,1996 **Literary Studies in the Hebrew Bible** Shemaryahu Talmon,1993 In the studies collected in this volume the author aims at highlighting salient literary modes which can be identified in the books of the Hebrew Bible The application of such modes is illustrated by analysing the biblical writers technique of underscoring the concurrency of events by splitting a narrative account intersplicing it with a second account and then resuming the first Thus they steer clear of conveying the impression of a chronological succession of the events in question which would be unavoidable in a one line sequential presentation A reinvestigation of the question whether biblical

literature ever knew a national epic culminates in the conclusion that ancient Israel rejected this Gattung because of its intrinsic affiliation with pagan cults In its stead it developed the genre of the historiographical psalm In a group of studies identifiable literary traits are brought to bear on the investigation of principles and problems relating to the comparative approach in biblical exegesis Initial methodological considerations are illustrated by their application to the analysis of aspects pertaining to the spheres of religion and myth such as divine kingship navel of the earth and repha im rpu i m and to social and political phenomena such as nomadism desert ideal and democratic institutions In a concluding analysis the book of Esther is shown to be woven around a literary core which narratively illuminates the applicability of proverbial wisdom teachings to the handling of actual life situations These essays will be of interest to scholars and students of the Bible theology sociology of religion and comparative literature BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved     **The CBD Guide to Bible Reference Resources** David M.
